**The Gambia** International Monetary Fund. African Dept., 2015-04-22 KEY ISSUES Background The Gambian economy is facing urgent balance of payments needs triggered mostly by the impact of the regional Ebola outbreak on tourism Although the country remains Ebola free the regional outbreak is expected to cut by more than half tourism receipts for the 2014 15 season During 2014 15 the impact of the shocks on the balance of payments offset in part by lower global fuel prices is estimated to be 40 million over 5 percent of 2015 GDP Policy slippages and persistent financial difficulties in public enterprises have exacerbated the problems and pushed The Gambia's ECF arrangement off track In their Letter of Intent the authorities have notified the Fund of their decision to cancel the arrangement Request The authorities are requesting support under the RCF in an amount of SDR 7 775 million or equivalent to 25 percent of quota to cope with the urgent balance of payments needs and a one year staff monitored program SMP to guide policy implementation before returning to a successor ECF arrangement provided policies remain on track Main policy commitments The authorities have taken a number of upfront policy actions The approved 2015 budget envisages lowering net domestic borrowing NDB to 1 percent of GDP in 2015 from 121 4 percent in 2014 anchored by a set of revenue and expenditure measures and complemented by some 22 million in external budget support The authorities have taken steps to resolve the financial problems of key public enterprises and intend to take measures to secure their medium term fiscal consolidation and poverty reduction objectives Staff's view Staff supports the authorities request Staff views the package of measures articulated in the attached letter of intent as

representing a considerable effort The RCF disbursement would augment the authorities own strong adjustment efforts help catalyze additional donor financing and give the authorities the time needed to develop their medium term adjustment plans The SMP will provide the Gambian authorities an opportunity to establish a track record before moving to a successor ECF to which they aspire A period of monitoring will also allow the time needed to assess the impact of the shocks fully and hence better tailor the objectives of a successor ECF arrangement

McKinney's Session Laws of New York New York (State), 2009 Comprising authentic text of the laws together with other valuable legislative and executive material *Development of the Built Environment: From Site Acquisition to Project Completion* Dewberry, 2019-05-10 Understand vital business factors that are central to modern land development projects As real estate development evolves to accommodate increasingly more complex regulation and sophisticated built structures so too must the roles of different members of the development team evolve The entire development team including architects

and civil engineers must participate actively in consulting throughout the entire lifecycle of modern development projects. This expanded role often means that contemporary design team members may find themselves involved in contentious cross disciplinary decisions that their predecessors did not have to address. This comprehensive textbook explores the entire development process from an applied perspective to provide architects, civil engineers and other team members with an understanding of the context in which real estate development occurs. Presented by an industry leading design firm, the book offers complete explanations of all business considerations that influence land development projects at every stage.

*Development of the Built Environment From Site Acquisition to Project Completion* provides a holistic view of the development process and enables the development team to more effectively complete projects of all sizes and budgets. This text includes detailed coverage of Developers and the development process, Public and private project types, Recognizing opportunity, Selecting and controlling the site, Planning and creating the built environment, Key considerations for designing the project, Preliminary financial analysis and planning, Plan approval, permit issuance, construction and completion. *OECD Tourism Trends and Policies 2012*, OECD, 2012-08-16. *Tourism Trends and Policies 2012* is an international reference and benchmark on how effectively countries are supporting competitiveness, innovation and growth in tourism and sheds light on policies and practices associated with this. **Parliamentary Debates**, India.
