

A detailed photograph of a large industrial engine, likely a diesel engine, with a prominent turbocharger. The turbocharger is a large, cylindrical component with a complex, multi-ported housing, mounted on the side of the engine. The engine itself is a complex assembly of various components, including pipes, valves, and a large air filter. The background is dark, making the metallic components of the engine stand out. The text "Overhaul Procedure of Turbocharger" is overlaid on the image in a stylized, blue, italicized font.

Overhaul Procedure of Turbocharger

Marine Turbocharger Overhaul Manual
