Marketing Kerin 1 edition:

Strategic Marketing David W. Cravens, Nigel Piercy, 2006 *Strategic Marketing* 8 e by Cravens and Piercy is a text and casebook that discusses the concepts and processes for gaining the competitive advantage in the marketplace. The authors examine many components of a market driven strategy including technology, customer service, customer relationships, pricing, and the global economy. The text provides a strategic perspective and extends beyond the traditional focus on managing the marketing mix. The cases demonstrate how real companies build and implement effective strategies. Author David Cravens is well known in the marketing discipline and was the recipient of the Academy of Marketing Science's Outstanding Marketing Educator Award. Co-author Nigel Piercy has a particular research interest in market led strategic change and sales management for which he has attracted academic and practitioner acclaim in the UK and USA. *E-Marketing: Concepts, Methodologies, Tools, and Applications* Management Association, Information Resources, 2012-05-31 The popularity of e marketing has helped both small and large businesses to get their products and services message to an unbounded number of potential clients. Keeping in contact with your customers no longer require an extended period of time but rather mere seconds. *E-Marketing: Concepts, Methodologies, Tools, and Applications* presents a vital compendium of research detailing the latest case studies, architectures, frameworks, methodologies, and research on e marketing. With contributions from authors around the world, this three volume collection presents the most sophisticated research and developments from the field relevant to researchers, academics, and practitioners alike. In order to stay abreast of the latest research, this book affords a vital look into electronic marketing research. [Marketing W/PowerWeb](#) Michael J. Etzel, Bruce J. Walker, William J. Stanton, 2001 Etzel Walker Stanton's *Marketing* 12th Edition will continue to be a low cost alternative in a paperback format now including free access to PowerWeb. It incorporates technology throughout in text and boxed examples, chapter opening cases, and part ending cases. This book was the first to incorporate WWW addresses and in this edition the authors go well beyond that with an in depth look at how companies are making technology an important part of their successful marketing strategies. The authors have also made it a priority to integrate other important and current themes such as global marketing, customer relationships, small business, and entrepreneurship. In this edition, the global marketing chapter was moved to the first part of the book, chapter 3, to introduce its importance early. Global examples and coverage are then integrated throughout. This edition offers a completely new design, a revised supplements package, a new interactive web page, and a special package with Annual Edition online. *Marketing Management* Rajiv Lal, John A. Quelch, V. Kasturi Rangan, 2005 *Marketing Management: Text and Cases* 1 e includes a new collection of cases from Harvard Business School. HBS sets the standard for effective case writing and teaching and provides here the latest cases in *Marketing Management*. **Managing Customer Value** Bill Dodds, 2003 Providing the right combination of product quality, customer service, and price is good business. Unless a business does something that creates value for their customer, then the chances of business success are nil.

Market-Driven Management Jean-Jacques Lambin, Isabelle Schuiling, 2012-07-19 Market Driven Management adopts a broad approach to marketing integrating the strategic and operational elements of the discipline Lambin's unique approach reflects how marketing operates empirically as both a business philosophy and an action oriented process Motivated by the increased complexity of markets globalisation deregulation and the development of e commerce the author challenges the traditional concept of the 4Ps and the functional roles of marketing departments focusing instead on the concept of market orientation The book considers all of the key market stakeholders arguing that developing market relations and enhancing customer value is the responsibility of every member of the organization and that the development of this customer value is the only way for a firm to achieve profit and growth New to this edition Greater coverage of ethical issues and corporate social responsibility cultural diversity value and branding and the economic downturn Broad international perspective Thoroughly revised to reflect the latest academic thinking and research With its unique approach international cases and complementary online resources this book is ideal for postgraduate and upper level undergraduate students of marketing and for MBAs and Executive MBAs
