Memoir Of A Soul In Poetry And Prose Richard Heinzelman,2020-03-20 New author Richard Heinz takes us with him as he explores his life and soul in a series of poems and narrative reflections on those poems The poems came to the author as if in dictation over a period of 35 years They describe the experiences of one human being as seen through his soul that place where the divine spirit meets our psychological self at the center of our being The author s soul journey is everyone s journey as he travels from the innocent spiritual experiences of early childhood to the development of a shadow side to the parallel journeys toward self love and soulful connection with other souls and with the Creator The author s journey covers the gamut of human emotions including joy love grace and shared intimacy as well as anger loneliness regret and a sense of failure The book concludes with an exploration of what lies beyond the curtain we call death The unique combination of heartfelt poetry and narrative prose will undoubtedly bring the reader face to face with his or her own life experience raising questions that the reader may want to explore individually with a partner or in a small group setting *Memoir of a Soul* Richard Heinz,2022-01-02

A Difficult Soul Vladimir Zlobin, 2023-11-15 guide the Symbolist movement which dominated Russian literature for the first third of the twentieth century. A major poet, important playwright and influential literary critic, she was also a sexual rebel who rejected traditional male/female roles as early as the 1890s. Vladimir Zlobin, her secretary and factotum from the time of her emigration to Paris after the revolution until her death in 1945, exposes the consequential inner workings of the literary circle around Gippius. His account of her three most important personal involvements with her husband, the novelist and critic Dmitry Merezhkovsky, with the unattainable love of her life, the critic Dmitry Filosofov, and with the Devil, with whom she believed herself in personal contact, facilitates the task of understanding this truly difficult soul. Himself a poet, Zlobin also offers a detailed commentary on her poetry and persuasively connects it to her personal and mystical experiences. In Karlinsky's perceptive introduction, Gippius emerges not only as one of the principals in the Modernist renaissance of Russian poetry between 1890 and 1930 but as a figure of considerable historical interest whose views on life and work stand in significant relation to the major social, sexual, religious and political currents of her time. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach and impact.
