**Identity Crisis** John Sides, Michael Tesler, Lynn Vavreck, 2019-08-13 A gripping in depth look at the presidential election that stunned the world Donald Trump s election victory resulted in one of the most unexpected presidencies in history *Identity Crisis* provides the definitive account of the campaign that seemed to break all the political rules but in fact didn t Featuring a new afterword by the authors that discusses the 2018 midterms and today s emerging political trends this compelling book describes how Trump s victory was foreshadowed by changes in the Democratic and Republican coalitions that were driven by people s racial and ethnic identities and how the Trump campaign exacerbated these divisions by hammering away on race immigration and religion The result was an epic battle not just for the White House but about what America should be

**Democracy Betrayed** William W. Keller, 2017-01-01 A vital and important look at the rise of a security state that is transforming the nature of our democracy In the aftermath of 9 11 in lockstep with booming technological advancements a new and more authoritarian form of governance is upplanting liberal democracy The creation of the Security Industrial Complex an internal security state within the state fueled by tech companies private security firms and the Intelligence Community to the tune of 120 billion a year is intruding on civil liberties to an unprecedented extent Politicians tolerate it some citizens welcome it thinking it may be the way to keep America safe in a time of uncertainty and terrorism But how real is this threat and is it worth the loss of our individual privacy As a society we have yet to comprehend the meaning of universal digital interconnection its impact on our psychology and its transformation of our government and society America is at a crossroads in contending with a security goliath allowing the beginnings of a police state and the conversion of our of our liberal democracy to a secure democracy one where government overreaches tramples on civil liberties and harnesses great advancements in technology to spy on the populace Keller walks us through what these changes can mean to our society and more importantly what we can do to halt our march toward intrusive and widespread

surveillance An urgent wakeup call for a country in crisis Democracy Betrayed is a timely and deeply important book about the future of America     The Sum of Our Dreams Louis P. Masur,2020-08-04 In The Sum of Our Dreams Louis P Masur offers a sweeping yet compact history of America from its beginnings to the current moment For general readers seeking an accessible single volume account one that challenges but does not overwhelm and which distills and connects the major events and figures in the country s past in a single narrative here is that book Evoking Barack Obama s belief that America remains the sum of its dreams Masur locates the origin of those dreams of freedom equality and opportunity and traces their progress chronologically illuminating the nation s struggle over time to articulate and fulfill their promise Moving from the Colonial Era to the Revolutionary Period the Early Republic and through the Civil War Masur turns his attention to Reconstruction the Gilded Age the Progressive Age World War One the Great Depression World War Two the Cold War Civil Rights Vietnam and Watergate and then laying out clearly and concisely what underlies the divisiveness that has characterized American civic life over the last forty years and now more than ever Above all however Masur lets the story of American tell itself Inspired by James Baldwin s observation that American history is longer larger more beautiful and more terrible than anything anyone has ever said about it he expands our notion of that history while identifying its individual threads The Sum of Our Dreams will be the new go to single volume for anyone wanting a foundational understanding of the nation s past and its present     *Report of Fines and Deductions During the Fiscal Year Ending June 30, 1889* ,1890
