DIY Natural Hot & Cold Process Soap Crafting: Ultimate Guide to Making & Selling Colorful Natural Soaps - Recipes Included Molly Barrett, 2019-02-10 DIY Natural Hot Cold Process Soap Crafting Ultimate Guide to Making Selling Colorful Natural Soaps Recipes Included Dioxane Sulfate Diethanolamine are some of the ingredients in commercial soap that I never questioned until I began making soap at home That s when my curiosity got the best of me After finding just these three I wanted to call a truce to look for dangerous additives in what I used and worse yet my children used to clean That s when I thought I found the fourth one Fragrance How in the world could something that sounds as harmless as fragrance possibly damage your skin How wrong I was The definition of fragrance was a far cry in meaning than the one on the soap label I began making soap because it was a fun hobby I could share with my children I continued because it morphed into a successful small business But I m now compelled to continue knowing that I m contributing to the health of my family I wanted to arrange the chapters in a logical order So you are not confused as I was when I first started This book is divided into Two Parts In the first part it is all about how to master the art of soap making using the Hot Process Method In the second Part I show how you can master the soap crafting using the Cold Process Method At the end of each part I give you a few recipes to try out your newly acquired skill but no worries these recipes are designed to guide you through each and every step from start to finish And lastly in chapter 16 it is all about how to start run and grow your soap business right from home After reading the book you will become a master on how to make homemade soap using both Hot Cold Process methods You will also learn about all soap making supplies my favorite soap making recipes and most importantly you will know the difference between store bought commercial soap vs all natural and organic soap made right at home If you have any question I have added my personal email address at the end of the book so you can contact me

Make Your Own Natural Soaps Maxine Clark, 2011-03 The author grew up in Jamaica and as a child was taught to make soaps by her grandmother They grew all the plants they needed to scent and colour their soaps and even used wood ash from

the stove to make caustic potash when none was available in the shops This background helped Maxine develop a passion for soap making and a unique type of natural soaps and toiletries both of which she shares in Make Your Own Natural Soaps It is intended for beginners includes both hot and cold process soap making with careful step by step instructions There are extensive bar liquid and cream soap recipes full details of the equipment needed to make a start and a re batching chapter just in case anything goes wrong And for anyone interested in turning their new skills to profit there is information on the legislation and regulations you need to comply with to be able to sell soap

Lovin' Soap Studio Cold Process Soap Recipe Book Amanda Gail, 1915-05-09 This book is a recipe book containing 50 recipes for cold process soap and 64 essential oil blends Though it does contain basic steps it is not an advanced soapmaking book and doesn't go into details on advanced soapmaking topics The recipes and essential oil blends in this book are provided to inspire creative formulation on your part Sure you can use a recipe as is but don't be afraid to experiment and change things up
