- Simple paper is provided for SECTION B (1)

- Write neatly and legibly.

Section A: Multiple Choice Questions (100 marks)

For the following questions, write the correct answer in the space provided.

After studying the diagram, answer the following questions.

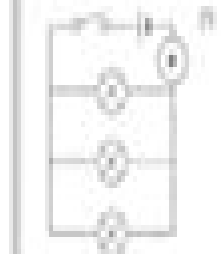

Section B: Multiple Choice Questions (100 marks)

1. The following system is used in the question.

2. The following system is used in the question.

3. The following system is used in the question.

Section C: Multiple Choice Questions (100 marks)

1. The following system is used in the question.

2. The following system is used in the question.

3. The following system is used in the question.

4. The following system is used in the question.

5. The following system is used in the question.

Section D
1. Compression
2. Tension
3. Transverse force
4. Magnetic force
5. Tension

Section D: Multiple Choice Questions (100 marks)

1. The following system is used in the question.

2. The following system is used in the question.

3. The following system is used in the question.

4. The following system is used in the question.

5. The following system is used in the question.

6. The following system is used in the question.

7. The following system is used in the question.

8. The following system is used in the question.

9. The following system is used in the question.

10. The following system is used in the question.

11. The following system is used in the question.

12. The following system is used in the question.

13. The following system is used in the question.

14. The following system is used in the question.

15. The following system is used in the question.

16. The following system is used in the question.

17. The following system is used in the question.

18. The following system is used in the question.

19. The following system is used in the question.

20. The following system is used in the question.

21. The following system is used in the question.

22. The following system is used in the question.

23. The following system is used in the question.

24. The following system is used in the question.

25. The following system is used in the question.

Section E: Multiple Choice Questions (100 marks)

1. The following system is used in the question.

2. The following system is used in the question.

3. The following system is used in the question.

4. The following system is used in the question.

5. The following system is used in the question.

6. The following system is used in the question.

7. The following system is used in the question.

8. The following system is used in the question.

9. The following system is used in the question.

10. The following system is used in the question.

11. The following system is used in the question.

12. The following system is used in the question.

13. The following system is used in the question.

14. The following system is used in the question.

15. The following system is used in the question.

16. The following system is used in the question.

17. The following system is used in the question.

18. The following system is used in the question.

19. The following system is used in the question.

20. The following system is used in the question.

21. The following system is used in the question.

22. The following system is used in the question.

23. The following system is used in the question.

24. The following system is used in the question.

25. The following system is used in the question.

26. The following system is used in the question.

27. The following system is used in the question.

28. The following system is used in the question.

29. The following system is used in the question.

30. The following system is used in the question.

31. The following system is used in the question.

32. The following system is used in the question.

33. The following system is used in the question.
