**1. (a) Read the passage and answer the questions that follow :**

Of course, story telling has a darker side too. It makes us vulnerable to conspiracy theories, advertisements and narratives about ourselves that are more truthly than true. Everything is in the eye of the beholder. Right, wrong, sin, good, duty, responsibility, love, hate—all these depend on who is looking. New forms of stories generate their own new sets of problems, which require yet more solutions. Alternate Reality Games (ARG) are interactive networked narratives that use the real world as a platform and use trans-media storytelling to deliver a story that may be altered by participant's idea or actions.

**Questions :**

- (i) What is the dark side of storytelling ?
- (ii) What does the writer say about new form of stories ?
- (iii) On whom do right, wrong, sin, good etc. depend ?
- (iv) What does ARG mean ?
- (v) Who is the writer of the chapter from which the passage has been taken ?
