Until I Find You John Irving, 2005-07-12 *Until I Find You* is the story of the actor Jack Burns his life loves celebrity and astonishing search for the truth about his parents When he is four years old Jack travels with his mother Alice a tattoo artist to several North Sea ports in search of his father William Burns From Copenhagen to Amsterdam William a brilliant church organist and profligate womanizer is always a step ahead has always just departed in a wave of scandal with a new tattoo somewhere on his body from a local master or scratcher Alice and Jack abandon their quest and Jack is educated at schools in Canada and New England including tellingly a girls school in Toronto His real education consists of his relationships with older women from Emma Oastler who initiates him into erotic life to the girls of St Hilda s with whom he first appears on stage to the abusive Mrs Machado whom he first meets when sent to learn wrestling at a local gym Too much happens in this expansive eventful novel to possibly summarize it all Emma and Jack move to Los Angeles where Emma becomes a successful novelist and Jack a promising actor A host of eccentric minor characters memorably come and go including Jack s hilariously confused teacher the Wurtz Michelle Maher the girlfriend he will never forget and a precocious child Jack finds in the back of an Audi in a restaurant parking lot We learn about tattoo addiction and movie cross dressing sleeping in the needles and the cure for cauliflower ears And John Irving renders his protagonist s unusual rise through Hollywood with the same vivid detail and range of emotions he gives to the organ music Jack hears as a child in European churches This is an absorbing and moving book about obsession and loss truth and storytelling the signs we carry on us and inside us the traces we can t get rid of Jack has always lived in the shadow of his absent father But as he grows older and when his mother dies he starts to doubt the portrait of his father s character she painted for him when he was a child This is the cue for a second journey around Europe in search of his father from Edinburgh to Switzerland towards a conclusion of great emotional force A melancholy tale of deception *Until I Find You* is also a swaggering comic novel a giant tapestry of life s hopes It is a masterpiece to compare with John Irving s great novels and restates the author s claim to be considered the most glorious comic moving novelist at work today

A Widow for One Year John Irving, 2012-05-08 One night when she was four and sleeping in the bottom bunk of her bunk bed Ruth Cole woke to the sound of lovemaking it was coming from her parents bedroom This sentence opens John Irving s ninth novel *A Widow for One Year* a story of a family marked by tragedy Ruth Cole is a complex often self contradictory character a difficult woman By no means is she conventionally nice but she will never be forgotten Ruth s story is told in three parts each focusing on a critical time in her life When we first meet her on Long Island in the summer of 1958 Ruth is only four The second window into Ruth s life opens

on the fall of 1990 when she is an unmarried woman whose personal life is not nearly as successful as her literary career She distrusts her judgment in men for good reason A Widow for One Year closes in the autumn of 1995 when Ruth Cole is a forty one year old widow and mother She s about to fall in love for the first time Richly comic as well as deeply disturbing A Widow for One Year is a multilayered love story of astonishing emotional force Both ribald and erotic it is also a brilliant novel about the passage of time and the relentlessness of grief **A Prayer for Owen Meany** Todd Womack,1995 Oración por
