

A white hard hat is positioned at the top of the frame. Below it, a wooden handle, likely for a hammer, is visible on the left. In the center, a circular compass with a black face and white markings is placed on an old, detailed map. To the right of the compass, a pair of pliers is partially visible. The background is a textured, aged map with various lines and text.

How do you overcome imposter syndrome when you aren't sure you should be leading? As a leader, how do you judiciously dole out punishment? What about reward? How do you build trust with your both your superiors and your subordinates? How do you deliver truthful criticism up and down the chain of command in a tactful and positive way? These are all questions about leadership, the most complex of all human endeavors. And while there are books out there that provide solid leadership principles, books like *Extreme Ownership* and *The Dichotomy of Leadership*, there is no leadership field manual that provides a direct, situational, pragmatic how-to guide that anyone can instantly put to use. Until now. *Leadership Strategy and Tactics* explains how to take leadership theory, quickly translate that theory into applicable strategy, and then put leadership into action at a tactical level. This book is the solution that leaders at every level need: not just to understand the leadership game, but also how to play the leadership game and win it.

Leaders Marching Forward Fred Grooms, 2017-06-20 We are proud to present *Leaders Marching Forward*. This is the companion book to the Amazon bestselling student leadership book *BASIC: The Student Leadership Field Manual*. *Leaders Marching Forward* is crafted to teach students next-level leadership skills. As a student's leadership opportunities advance, it is vital that they continue to gain knowledge and skills as a leader. *Leaders Marching Forward* is the perfect choice to assist students in becoming not just a good leader, but an exceptional leader, a leader that others choose to follow. In the pages that follow, you will find a proven approach to student leadership that will help develop your personal and professional leadership skills. This approach is based upon the U.S. Army's leadership philosophy. This historically proven leadership model has given seemingly average young men and women the greatest opportunity to become superior leaders more than any other leadership model. *Leaders Marching Forward* gives the reader practical advice on how to develop a team, create commitment, build and maintain high morale, manage time, and how to become a resilient leader. You will also learn the importance of why a leader takes credit for the success and failure of his or

her team as well as how to evaluate those success and failures
