Harry A Spurr Alexandre Dumas 1911 by Margaret Bryant My Memoirs Alexandre Dumas,1909 **Petit histoire de l'homme à la mouche** ,1957 My Memoirs (1802 to 1833) Alexandre Dumas,2020-09-28 There is no real biography of Alexandre Dumas Nobody has collected and sifted all his correspondence tracked his every movement and pursued him through newspapers and legal documents Letters and other papers if they have been preserved should be as abundant in the case of Dumas as they are scanty in the case of Moli re But they are left to the dust of unsearched offices and it is curious that in France so little has been systematically written about her most popular if not her greatest novelist Many treatises on one or other point in the life and work of Dumas exist but there is nothing like Boswell s Johnson or Lockhart s Scott TheM moires by the novelist himself cover only part of his career Les Enfances Dumas and they bear the same resemblance to a serious conscientious autobiography as Vingt Ans Apr s bears to Mr Gardiner s History of England They contain facts indeed but facts beheld through the radiant prismatic fancy of the author who if he had a good story to tell dressed it up with a cocked hat and a sword as was the manner of an earlier novelist The volumes of travel and the delightful work on Dumas s domestic menagerie Mes B tes also contain personal confessions as does the novel Ange Pitou with the Causeries and other books Fortunately Dumas wrote most about his early life and the early life of most people is more interesting than the records of their later years In its limitation to his years of youth the M moires of Dumas resemble that equally delightful book the long autobiographical fragment by George Sand Both may contain much Dichtung as well as Wahrheit at least we see the youth of the great novelists as they liked to see it themselves The M moires with Mes B tes possess this advantage over most of the books that the most crabbed critic cannot say that Dumas did not write them himself In these works certainly he was unaided by Maquet or any other collaborator They are all his own and the essential point of note is that they display all the humour the goodness of heart the overflowing joy in life which make the charm of the novels Here unmixed unadulterated we have that essence of Dumas with which he transfigured the tame copy drawn up by Maquet and others under his direction He told them where to find their historical materials he gave them the leading ideas of the plot told them how to block out the chapters and then he took these chapters and infused into them his own spirit the spirit which in its pure shape pervades every page of the M moires They demonstrate that while he received mechanical aid from collaborators took from their hands the dry bones of his romances it was he who made the dry bones live He is now d Artagan now Athos now Gorenflot now Chicot all these and many other personages are mere aspects of the immortal the creative Alexandre **Pamphlets on Protozoology (Kofoid Collection)** ,1911 *Parasitology* ,1917 Mes mémoires Alexandre Dumas,1863 Diptera Biology ,1923 **Journal d'hygiène** Société Française d'Hygiene,1893 *Mes mémoires par Alexandre Dumas* ,1870 **Rapport Épidémiologique de la Section D'hygiène** League of Nations,1934 **Nouveau Larousse illustré** Larousse,1898 **Grand dictionnaire universel du XIXe siècle** Pierre Larousse,1874 **Les trois luronnes ou Les cavaliers demoiselles [grand roman historique inédit] par Henry de Kock** Henri : de Kock,1865* **Petite histoire**

de l'homme à la mouche Jacqueline Cabié, **A Treatise on the Parasites and Parasitic Diseases of the**
Domesticated Animals Louis Georges Neumann, 1912 *Journal de médecine, de chirurgie, et de pharmacologie* ,1870
Le Naturaliste ,1901 **Reports and Papers** Bureau permanent Interafricain de la Tsé-Tsé et de la Trypanosomiase,
