Handbook of Religion and Society David Yamane, 2016-07-15 The Handbook of Religion and Society is the most comprehensive and up to date treatment of a vital force in the world today It is an indispensable resource for scholars students policy makers and other professionals seeking to understand the role of religion in society This includes both the social forces that shape religion and the social consequences of religion This handbook captures the breadth and depth of contemporary work in the field and shows readers important future directions for scholarship Among the emerging topics covered in the handbook are biological functioning organizational innovation digital religion spirituality atheism and transnationalism The relationship of religion to other significant social institutions like work and entrepreneurship science and sport is also analyzed Specific attention is paid where appropriate to international issues as well as to race class sexuality and gender differences This handbook includes 27 chapters by a distinguished diverse and international collection of experts organized into 6 major sections religion and social institutions religious organization family life course and individual change difference and inequality political and legal processes and globalization and transnationalism Dreams of Flight Fran Martin, 2021-11-08 In Dreams of Flight Fran Martin explores how young Chinese women negotiate competing pressures on their identity while studying abroad On one hand unmarried middle class women in the single child generations are encouraged to develop themselves as professional human capital through international education molding themselves into independent cosmopolitan career oriented individuals On the other strong neotraditionalist state social and familial pressures of the post Mao era push them back toward marriage and family by age thirty Martin examines these women s motivations for studying in Australia and traces their embodied and emotional experiences of urban life social media worlds work in low skilled and professional jobs romantic relationships religion Chinese patriotism and changed self understanding after study abroad Martin illustrates how emerging forms of gender class and mobility fundamentally transform the basis of identity for a whole generation of Chinese women Outclassed Joan C. Williams, 2025-05-20 An eye opening urgent call to mend the broken relationship between college and non college grads of all races that is driving politics to the far right in the US Is there a single change that could simultaneously protect democracy spur progress on climate change enact sane gun policies and improve our response to the next pandemic Yes changing the class dynamics driving American politics The far right manipulates class anger to undercut progressive goals and liberals often inadvertently play into their hands In Outclassed Joan C Williams explains how to reverse that process by bridging the diploma divide while maintaining core progressive values She offers college educated Americans insights into how their values reflect their lives and their lives reflect their privilege With illuminating stories from the Portuguese admiral who led that country s COVID response to the lawyer who led the ACLU s gay marriage response and more Williams demonstrates how working class values reflect working class lives Then she explains how the far right connects culturally with the working class deftly manipulating racism

and masculine anxieties to deflect attention from the ways far right policies produce the economic conditions disadvantaging the working class Whether you are a concerned citizen committed to saving democracy or a politician or social justice warrior in need of messaging advice *Outclassed* offers concrete guidance on how liberals can forge a multi racial cross class coalition capable of delivering on progressive goals

The Middle Class in Neo-Urban India Smriti Singh,2023-11-17 This book critically examines the new middle class and the emergence of neo urban spaces in India within the context of rapid urbanisation and changing socio spatial dynamics in urban areas in the country It looks at class as a socio spatial category where class distinction is tied to and manifests itself through the space of the city With a detailed ethnographic study of the national capital region of Delhi especially Gurugram it explores themes such as class subjectivity morality and social beliefs life inside gated enclaves family and everyday practices of class reproduction and the process of othering and exclusivity among others Class identity vulnerability and hierarchy influence the actions and motivations of the middle class The author studies the nuances and socio political fractures stemming from the complex dynamic of class caste religion and gender that manifest in these neo urban spaces and how these shape the city and community Rich in empirical resources this book will be of interest to scholars and researchers of sociology political sociology ethnography urban sociology urban studies and South Asian studies

The Uses of Social Investment Anton Hemerijck,2017-05-26 The Uses of Social Investment provides the first study of the welfare state under the new post crisis austerity context and associated crisis management politics to take stock of the limits and potential of social investment It surveys the emergence diffusion limits merits and politics of social investment as the welfare policy paradigm for the 21st century seen through the lens of the life course contingencies of the competitive knowledge economy and modern family hood Featuring contributions from leading scholars in the field the volume revisits the intellectual roots and normative foundations of social investment surveys the criticisms that have leveled against the social investment perspective in theory and policy practice and presents empirical evidence of social investment progress together with novel research methodologies for assessing socioeconomic rates of return on social investment Given the progressive admittedly uneven diffusion of the social investment policy priorities across the globe the volume seeks to address the pressing political question as to whether the social investment turn is able to withstand the fiscal austerity backlash that has re emerged in the aftermath of the global financial crisis
