Life From Scratch A Memoir Of Food Family And Forgiveness:

Life From Scratch Sasha Martin, 2015-03-03 Witty warm and poignant food blogger Sasha Martin's memoir about cooking her way to happiness and self acceptance is a culinary journey like no other Over the course of 195 weeks food writer and blogger Sasha Martin set out to cook and eat a meal from every country in the world As cooking unlocked the memories of her rough and tumble childhood and the loss and heartbreak that came with it Martin became more determined than ever to find peace and elevate her life through the prism of food and world cultures From the tiny makeshift kitchen of her eccentric creative mother to a string of foster homes to the house from which she launched her own cooking adventure Martin's heartfelt brutally honest memoir reveals the power of cooking to bond to empower and to heal and celebrates the simple truth that happiness is created from within This beautifully written book is both poignant and uplifting Not to mention delicious It's an amazing family tale that reminds me of The Glass Castle but with more food And not just any food We're talking cinnamon raisin pizza A J Jacobs author of The Year of Living Biblically Life From Scratch is an unconventional love story This beautiful book begins with the quest of cooking a meal from every country a noble feat of its own but then turns it into something far beyond a kitchen adventure Be prepared to be changed as you experience Sasha's journey for yourself
