Menopause To Matrimony:

Menopause to Matrimony Shelly Hickman, 2014-10-30 The sequel to Vegas to Varanasi catches up with Anna and Kiran a couple of years after the event that brought the once ugly duckling high school acquaintances together But will their romance continue to flourish in the face of a whole new set of insecurities brought on by middle age First there s Kiran who has an unexpected health scare While his doctors assure no permanent damage has been done there seems to have been some damage to his personality as the normally respectful and reserved Kiran begins behaving erratically and overtly Anna wants to hope that this is temporary sparked by the visit of Kiran s womanizing free spirited cousin Seth But is this just the midlife Kiran surfacing Anna has midlife issues of her own Now forty eight she s navigating the onset of perimenopause and all the delights that come with it from facial hair to mood swings to body temperature issues On top of that her two year old granddaughter is starting to show signs of a behavior disorder bringing with it a whole other level of stress and worry Will Anna and Kiran finally find their happily ever after Or end up stuck in a midlife mess in this romantic comedy of accepting change and the change

The Menopause Reset Confidential Jessica Caplain, 2018-05-03 FOR THE WOMAN WHO IS IN ON OR ABOUT TO HIT MENOPAUSE You need to arm your self quick to handle and cope with this phase of your life And this book will do just that What you will learn This book has been organized into six parts so you can head to the topic that interests you the most Chapter I Menopause Defined This chapter will help you know what menopause is and why women experience it at one point in their lives It will also give you an overview on what happens in a woman s body before during and after menopause Chapter II Coping with Early Menopause Not every woman goes through menopause at the expected age range There are certain factors that can cause a woman to experience early menopause such as after a surgical procedure Chapter III Familiarizing Yourself with the Symptoms There are many symptoms associated with menopause but how do you know if it is really the cause of those hot flushes and headaches Chapter IV Sex Life and Menopause Going through menopause does not mean you will no longer appreciate sex Chapter V Alternative Non Hormone Therapies Hormone therapy is a controversial treatment plan because of the possible negative effects on the woman s body If you are concerned about its effects then you can consider the many alternative options available that do not require using hormones Chapter VI Menopausal Myths Busted There are a lot of misconceptions about menopause that continue to brainwash a lot of people until today and you should not be one of them Get informed and check out these myth busters After reading this book you will learn that menopause is a natural process that involves different stages It will also talk about the controversial and alternative approaches that can help protect you from the health risks associated with menopause Always remember that you deserve to be happy and be well informed on what is happening in your body as you continue to enjoy life Menopause is not a medical condition Nobody is going to die from menopause or any of its symptoms However women die every day from the effects of low estrogen levels Your risks of certain health problems rise after menopause It is true that estrogen has a role in

Marriage and Same-Sex Unions Lynn D. Wardle,2003-04-30 This book exemplifies the high quality of thoughtful discussion and debate that is possible on the issue of same sex marriage Authors are paired to address and respond to a particular topic one in favor of state recognition of same sex relationships and one in favor of limiting state recognition to those relationships that have been traditionally recognized as marriages Proposals to legalize same sex marriage evoke strong response from those on both sides of the debate Much has been written about the legal policy issues over the legal recognition of same sex unions in the United States yet there has been little dialogue and exchange between participants in the debate This book attempts to open that dialogue and to exemplify the high quality of thoughtful discussion and debate that is possible Authors are paired to address and respond to a particular topic one in favor of state recognition of same sex relationships and one in favor of limiting state recognition to those relationships that have been traditionally recognized as marriages This ideal introduction is designed to lead the reader through the relevant issues progressing from the general to the particular Debates are contextualized offering comparative historical and family policy perspectives asking fundamental questions such as what is the purpose of a family and what interests if any that state has in promoting a particular type of family over others Issues of jurisprudence and political philosophy are examined addressing the public benefits of marriage and equal treatment before the law among other items The constitutionality of same sex marriage or domestic partnership policies is explored Finally this book covers the broad implications when states such as Vermont legally recognize same sex unions and the impact of international recognition of same sex marriage rights

The Starter Marriage and the Future of Matrimony Pamela Paul,2003-01-14 A pioneering look at first marriages lasting five years or less and ending without children Paul s book will be a lesson to those contemplating marriage and a comfort to those who falter The Economist What is it about marriage that makes today s twenty and thirtysomethings want it so badly And why do so many of their marriages despite high hopes and desires end in divorce Nobody goes into a starter marriage expecting to divorce and trade up to something better but like a starter home a starter marriage can teach you a lot about what to look for and what to avoid the next time around Drawing on extensive research and interviews with starter marriage vets Pamela Paul explores why young people are jumping in and out of marriage and what lessons can be drawn from their failures She shows how starter marriages can be avoided and why lifelong marriage is still a desirable achievable option for the next marrying generation
