**Hindu Idol Worship** C Srinivasa Murthy, 2025-08-01 I have come across extensive literature and lectures criticizing Hindu idol worship. However, our spiritual leaders seldom clarify the purpose, science, and significance behind this practice. Many of them appear divided on the subject, and as a result, most of us have doubts about the rationality of idol worship in Hinduism. I have not encountered any spiritual leader who supports idol worship as it is. It seems that even they are uncertain about it. As I see it, the primary reason for this confusion is that our spiritual leaders are more focused on Yoga and Meditation and less on Self Knowledge Jnana Marga, the Path of Knowledge. I felt an urgent need to address these doubts and misconceptions. This book is my attempt to clarify them. I have tried to answer most of the Frequently Asked Questions (FAQs) on this topic, and having written this book, I feel deeply fulfilled.

**Laundry** Cheryl Mendelson, 2009-11-24 From the author of the bestselling *Home Comforts* comes a spin off of one of the most often consulted topics in the classic book on housekeeping. For Cheryl Mendelson, laundering is the best part of housekeeping. It's full of physical pleasures: the look of favorite clothes restored to freshness and beauty; the tactile satisfaction of crisp linens in beautifully folded stacks. Good laundering preserves things you love and protects your pocketbook. It doesn't take much time or effort. What it takes is knowledge. And *Laundry* is the comprehensive, entertaining, and inspiring book on the art of laundering. Culled from the bestselling *Home Comforts* with revised and updated information and a new introduction, *Laundry* is an indispensable guide to caring for all the cloth in one's home, from kitchen rags to bedding, hand washables, and baby clothes to vintage linens. Mendelson offers detailed guidance on when to disregard labels, removing stains, making environmentally informed choices, sewing, and storing clothing and fabrics. A much needed antidote to the standard issue, how to manual, *Laundry* celebrates the satisfactions of ironing, folding, and caring for clothes and linens. Both pragmatic and eloquent, Mendelson provides beginning and veteran homemakers with a seamless combination of reliable instruction, time-tested advice, and fascinating personal narrative. Writing with infectious love and respect for her subject, Mendelson is sure to instill in readers a newfound affection and appreciation for the art of laundering.
