**The Family in Life and in Death: The Family in Ancient Israel** Patricia Dutcher-Walls, 2009-11-15 This volume explores the advantages of seeing a topic from two different but complementary perspectives All of the papers in the volume were read at two sessions at SBL 2005 and 2006 that were co sponsored by the Social Sciences and the Hebrew Bible Section of SBL and the American Schools of Oriental Research The sessions were designed to promote dialogue among scholars by juxtaposing research based in the social sciences and archaeology Scholars contributed papers from within their own methodological and research perspective but addressed possible interactions and overlaps that their research might contribute to the complementary perspective Significant intersections between the approaches emerged when patterns of social interactions accessed by social scientific methods paralleled patterns in material remains accessed by archaeological methods The sessions and thus the book achieve coherence because all of the papers attended to aspects of the family in ancient Israel While the presenters selected their own topics in the subject area several foci emerged that reflect current research interests in these fields These foci include research on ancestors and the cult of the dead configurations of family house structures and family relational interactions All of the papers make their methods and approaches visible and delineate clearly the textual or material basis of their research so that the dialogue among the papers is facilitated

New Testament      **Them, Us, and Me** Jacqueline Grey, 2010-04-08 The Old Testament is much loved by readers around the world Yet many people struggle to understand it For example have you enjoyed the stories of the Old Testament but wondered about their relevance Been baffled by the unusual Laws Skipped books that seemed far removed from your 21st Century life If you answered yes to any of these questions then Them Us Me is for you This book offers a fresh approach to helping you read and understand the Old Testament The first section gives you some simple keys to discover the Old Testament It teaches you about the cultural world of ancient Israel Yet it does not end there it helps you to see how Jesus Christ fulfills the Old Testament and how it can be applied to your life Armed with this strategy for reading this book then outlines what the Old Testament is all about This second section presents an inspiring overview of the major ideas and events of the Old Testament This is a practical common sense book designed to help you gain confidence in reading the Bible It is for all people who want to better understand the significance of the Old Testament      Israel, the Biblical People Maurice Fluegel, 1899      **The Christian Life and the History of Israel** Paul L. Duntelman, 2009-02 In Israel s history who are the Amorites and the Philistines Do they represent anything for modern Christians In this book we can see spiritual problems they represent in the Christian life In fact in flesh and blood geography Tabernacle artifacts and other things the history of Israel in the Old Testament forms a model of the internal struggles we face as believers in Jesus For those of you who are just starting out with Christ or those who have been on this journey for many decades this book can help you get your bearings As Israel journeyed from Canaan to Egypt to the desert and back to Canaan so the Christian begins as an infant becomes a natural then carnal then possibly a spiritual man respectively The names of places enemies of Israel and other items all have meaning for us as we examine the roots of their names in Hebrew In Semitic understanding the symbols are real people events and places and their names also shed light on our walk here Come take Jesus by the hand Learn the lessons and overcome the problems with His help You may move ahead more surely and quickly with Israel s history as a road map before you Let s begin Dr Paul L Duntelman teaches theology and Bible languages in English and Spanish at the Miami branch of the New Orleans Baptist Theological Seminary as well as representing the organization Life in Messiah Born and raised in the Chicago area he has a B A in Geography from the University of Illinois FBK an M Div from Trinity Evangelical Divinity School and a Th D from Jacksonville Theological Seminary Since 1992 he has taught in Miami Florida where he resides with his wife Carmen Leticia and their 6 children and 6 grandchildren      Reconstructing Biblical Israel Israel Finkelstein, 2015
