**Life Of The Mind** Cashma Ashmeade, 2018-05-16 I invite you into my world of living poetry The first time my pencil spoke on paper was in 1987 and over a lifespan of thirty years my poems have progressed They come from deep within my life experiences and the challenges of life itself encompassing the themes of the true purity of love passion charity loyalty and commitment and truth to oneself I seek to translate the deep meanings of these poems and the accompanying essays But through you the readers we will all develop a better understanding of the life of the mind as my writing provokes your own thoughts of morality sexuality forgiveness and liberation I want to thank all my families friends and acquaintances who over the years encouraged me to publish my book of poems I hope you truly enjoy them *The Life of the Mind* James V.
