At the Lucky Hand Goran Petrović,2020-09-01 At The Lucky Hand is an account of the different love stories that revolve around a very peculiar book My Legacy by Anastas Branica At first glance this is a book where there is no plot or characters only descriptions However that is what makes it a self sufficient space a world that can only be inhabited by its readers which Anastas has written in order to live within the book with his beloved Through what Petrovic called simultaneous reading it is possible to coincide with other people in the same book and not only that but also to live beyond what is simply written Within this experience of reading while reading participants are able to access a meeting place that is outside of reality How else can we describe what happens to us when we read with true conviction when books become life palpable manifested when books become part of our physiology when love is incarnated in the reading that two strangers perform at the same time hoping that time will be abolished by the mere fact of fixing their gaze on a page In short what the reader of this book will surely experience along with all the other readers who coincide in the experience will be a state of joyous stupefaction Above all else the book is a love letter to the power of literature
