capacity to give we cannot receive that which we do not allow This book is meant to stand on its own as another comprehensive volume of the Teachings of Abraham There is nothing that pleases Esther or me more than providing a forum where people from diverse environments can gather lending their unique perspectives asking Abraham their important questions To actually feel the evolution and expansion of this message must surely be what Esther and I have been born to do And the reason we know that is because it feels so very very good to do it From my heart Jerry Hicks Your work isn't to convince someone to give you something you want your work is to just find relief from wherever you are When you get good at finding relief you'll begin to flow with your Stream and these things that have been downstream waiting for you to queue up with them will begin to connect with you with such extraordinary persistence that people who are watching you will wonder what in the world has happened with you There is great love here for you And for now as always we remain eternally and happily incomplete Abraham Included is a link to download an audio excerpt from a live Art of Allowing Workshop with Abraham
