deception intrigue and suspense A barbara holloway novel When Louise Braniff discreetly hands Barbara Holloway a large retainer and asks for complete anonymity the attorney is both intrigued and suspicious The woman a respected music professor also spearheads a group that sponsors worthy causes And the group wants Barbara to defend Carol Fredricks a gifted young pianist who stands accused of murder Barbara has heard Carol play and that s enough to convince her to take the case But now the questions are coming faster than the answers Carol s straightforward version of what happened the night piano bar manager Joe Wenzel was murdered clashes with the incriminating evidence against her And how can Barbara explain the oddly incomplete picture she gets of the young woman herself Carol has no memory of learning to play the piano her recollections begin the day she woke up in hospital aged eight to learn that her parents were dead And now she is having haunting nightmares about a woman named Carolyn Frye Soon Barbara is convinced that her client is not only innocent but that she is being framed However proving the case and keeping her client safe will require every ounce of Barbara s notoriously fierce determination to get at the truth And as she unravels the stunning trail of deception hatred and remarkably deep and abiding love that holds the key to the mystery of Carol Fredricks Barbara discovers that the unbidden truth may just damn them both     *The Hugo, Nebula and World Fantasy Awards* Howard DeVore,1998 Science fiction fans have voted for the Hugo Awards for best science fiction almost every year since 1953 Science fiction professionals have presented the Nebula Awards to their peers since 1965 In all this time lists of winners have been widely available but the losers have usually been ignored In 1970 long time fan Howard DeVore started publishing a complete listing of Hugo and Nebula awards including the stories that were nominated but did not win The fact that stories were nominated implied that they had considerable merit Mr DeVore felt that a complete listing would let fans compare them The International Fantasy Awards may have inspired the Hugos so he added them DeVore brought out new editions year by year publishing and distributing them himself with the aid of a number of devoted science fiction fans By 1998 the task had grown to the point where Mr DeVore happily relinquished the job to Advent This edition includes introductory and historical essays explaining how each award got started and how nominees and winners are chosen plus commentary in the yearly listings     **Orbit 5** Ul's treehouse,     Clear And Convincing Proof Kate Wilhelm,2014-08-01 When attorney Barbara Holloway takes a case there s no middle ground it s her rules her way Now as she finds herself at the helm of a complex defence involving the murder of a man everybody loathed all she needs is what she most lacks clear and convincing proof The Kelso McIvey rehabilitation center is a place of hope and healing for its patients and for the dedicated volunteers who work there For beautiful Annie McIvey in particular it s a sanctuary from her cruel husband and for directors Naomi and Greg Boardman it s the culmination of a lifelong dream But it s a dream about to be destroyed by Annie s husband David A brilliant surgeon an implacable misogynist a man whose ego rivals his skill with a scalpel David McIvey plans to close the doors on the centre s good work and good people replacing it with a state of the art surgery with him at the helm So when David s body is discovered outside

the clinic early one morning it s no surprise to anyone especially Barbara Holloway that somebody dared to stop him in cold blood Now Barbara must use her razor sharp instincts and take no prisoners attitude to defend the two members of the clinic about to stand trial for his murder Annie McIvey and Darren Halvord are accused of having an affair and plotting to kill David but Barbara believes a more complex motive lies at the heart of the crime In order to expose it she is forced to explore the darkest hiding place the soul beneath the skin
