The Kabbalah Code James F. Twyman, 2009-05-01 During the world premiere of The Moses Code movie an angry audience member challenges James Twyman in a very unusual

way She says that his ideas surrounding the story of Moses and the name given to him by God I AM THAT I AM are incomplete It wasn't a comma that unlocked the secrets of creation but a Yud the most sacred letter in the Hebrew alphabet which looks very much like a comma Thus begins Twyman's quest to discover the true meaning of the Sacred Names of God leading him to an adventure in Paris that changes his life forever Within these pages James enters the world of the ancient Kabbalah the mystical teachings of Judaism and realizes that the rabbit hole goes far deeper than he thought Join James and Phil Gruber a friend and spiritual teacher who decides to initiate this incredible journey as they travel to ten of the most sacred sites in Paris unlocking the secrets found in the many Names of God and revealing lost teachings that may change the world Written in the style of a high adventure such as The Da Vinci Code and The Celestine Prophecy this is an unforgettable book that will draw you into a world of intrigue and Kabbalistic lore **The Kabbalah Code** James Twyman,2009-10

Twyman explains why the ancient teachings of Kabbalah are as important today as they've ever been and this work may be a first step in understanding its vast implications The Real Name of God Rabbi Wayne Dosick,2012-05-29 Reveals the real whole name of God and its place within each of us Explains how none of the God names commonly used in the Bible is God's real name Shows how the real name of God unites all religions from both West and East Includes spiritual techniques prayers poems and meditative chants to bring each of us into deep personal intimate living relationship with God Of the many names of God commonly used in the Bible and other sacred literature none is God's real name Every God name including YHWH reflects only one of God's many aspects such as the loving creator the militaristic authoritarian or the all knowing judge None embodies the wholeness the totality the full Essence of God Who then are we to speak to when we seek God If you can't truly know something until you know its name how can we truly know God The culmination of years of translation research and etymological investigation Rabbi Wayne Dosick's work digs through many layers of presumption and deeply ingrained beliefs to reveal the real name of God hiding in plain sight in the Bible Anochi He shows how this sacred name unites all religions both of the West and the East The name Anochi enables us to finally meet the whole complete real God both the grand God of the vast universe and the God of breath soul and heart who dwells within each of us This in depth exploration of God's name includes spiritual techniques poems guided prayers and meditative chants to bring each of us into personal intimate and purposeful relationship with God By knowing the real name of God we can affirm the connection to the Divine at the core of our being We can touch the face of God that resides deep within us all Sanctuary of the Divine Presence J.
