

My Daughter,

Don't get discouraged, My beloved; pain is a part of life. But I promise you that I will turn every tear you've ever cried into joy, and I will use your deep pain for a divine purpose. Don't try to hide your hurts from Me. I know everything about you. You are Mine, My Beloved!! I'm the only one who can handle your heart and restore you to health and wholeness again. I, too, have felt great pain, rejection, and anger. But we can go through every trial together. Hand in hand I will lead you back to My place of peace and joy after the storm. The sun will shine on you again, and your heart will be healed. I promise you, My Princess, that when you go through deep waters of great trouble, I will be with you. When you go through rivers of difficulty you will not drown. When you walk through the fire of oppression you will not be burned.

Love,
Your King and your Healer

Kairos Letter To My Daughter:

Anchored in the Current Gregory C. Ellison II, 2020-10-13 Howard Thurman was famously known as one of the towering giants of American religion in the twentieth century. His writings have influenced some of the most important religious and political figures of the last century from Martin Luther King to Barack Obama. Theologians such as James Cone and Cornel West regularly signal their indebtedness to him. He was a mystic, a preacher, an educator, a theologian, and much more. It is impossible to understand the African American church today without an appreciation for his contributions. And yet while Thurman's name is often recognized, his seminal ideas have not received the attention they deserve. In this volume, internationally known leaders like Marian Wright Edelman, Parker Palmer, and Barbara Brown Taylor invite the reader into creative engagement with Thurman's writings. *Anchored in the Current* illuminates how Thurman's life and wisdom lead these influential names on the ancient quest to connect with the Ultimate, all while discovering the contemporary need to seek racial justice and sharpening the minds and faith of those who come after us. Readers will find important and enduring answers in the works of this indispensable prophet and teacher.

I Was Just Thinking Ted Cole, 2020-04-06 Life is messy. Sometimes we lose touch with God in the mess, but usually he is found in the mess. Over a period of forty years as a pastor, I have had to deal with families in distress, children who were unmanageable, divorces, suicides, racism, men and women who have sought release from toxic religion, religious bigotry, Christian judgmentalism, tragic loss of loved ones, disenchantment with organized religion, and youth and adults who wavered between faith and doubt and feeling guilty about it. I have had conversations with atheists and agnostics who were interested in spirituality but could not find a church or a form of Christianity that would listen to their stories and their struggle to find peace outside themselves. I have stood next to hospital beds watching patients slowly lose touch with life and reality. These short stories represent God winks I received when thinking about the raw edges of life stories sprinkled with both humor and honest reflection.
