Karate Do Manual:

The Advanced Karate Manual Vince Morris, Aidan Trimble, 2014-09-29 The Advanced Karate Manual is designed as a companion volume to Karate Do Manual. Written for those who have already achieved proficiency in the sport, the book aims to help the reader attain the increasingly high standards of speed, strength, and skill required for modern karate competition. The book also looks at advances in training methods and provides a catalogue of exercises and sequences which can be practised with or without a partner. Other sections cover the psychological aspects of training, the use of equipment, the execution of advanced techniques, and the nature and role of the karate coach. Vince Morris is a winning karate competitor, referee, and administrator. He established the English Karate Federation and has been the Chairman of the Martial Arts Commission. Aidan Trimble, while in the Shotokan Karate International, was three times British Champion, twice European Team Champion, first World Individual Kumite Champion, and winner of several other titles. **The Karate-dō Manual** P. You'd love to try karate, but just thinking about all those fancy kicks and chops makes your head spin. Don't kick back just yet. The Complete Idiot's Guide to Karate includes tons of easy-to-understand information on this exciting martial art. In this Complete Idiot's Guide, you get invaluable insights into the student-teacher relationship, a look at the history of karate in Japan and the United States, expert advice on choosing a karate school, idiot-proof strategies for mastering different stances, blocks, punches, and kicks, simple ways to ward off injury in class and in competition.
