Le Silence Du Bourreau:

Facing the Torturer Francois Bizot, 2012-10-23 The author of the acclaimed memoir *The Gate* now gives us a mesmerizing account of his personal relationship with one of the most infamous torturers of the twentieth century and of his transformative experience observing and participating in that man's recent trial for war crimes In 1971 Francois Bizot was researching Khmer pottery and Buddhist ritual in rural Cambodia when along with two Cambodian assistants he was arrested by Communist guerrillas on suspicion of being an American spy In captivity Bizot would establish an unlikely rapport with his interrogator Comrade Duch a twenty nine year old former math teacher now commander of the jungle encampment After many long conversations Duch would become convinced of Bizot's innocence finally deciding to release his prisoner against the wishes of his superiors including one Saloth Sar the future Pol Pot And so it was on Christmas Day 1971 that Bizot was allowed to depart the camp but obliged to leave his assistants behind In 1999 Bizot would hear of the arrest of the butcher of Tuol Sleng This was the nom de guerre that Comrade Duch had earned after releasing Bizot and proceeding to exterminate some ten thousand Cambodians including Bizot's assistants Lay and Son Duch's unexpected capture after years in hiding presented Francois Bizot with his first opportunity to confront the man who'd held him captive for three months and whose strange sense of justice had resulted in Bizot's being the only Westerner to survive imprisonment by the Khmer Rouge The arrest also forced Bizot to confront a paradox How could the man who'd been his savior have become one of the most monstrous perpetrators of the Cambodian genocide Taking part in the trial as a witness with Duch the sole defendant would return Bizot to the heart of darkness This is the testimony of what he discovered about the torturer and about himself on that harrowing journey *Tuol Sleng Genocide Museum*, 2024-04-22 Established in 1979 in the premises of the Khmer Rouge prison S 21 in Phnom Penh Tuol Sleng Genocide Museum TSGM has had a turbulent history mirroring Cambodia's social and political transformations The book brings together academics and practitioners from multiple fields who offer novel perspectives and sources on the site and reflect on the challenges the institution has faced in the past and will face in the twenty first century as an archive heritage and education site especially with the coming of the post justice era in the country *Minority Theatre on the Global Stage* Madelena Gonzalez, Hélène Laplace-Claverie, 2012-03-15 All over the world in the most varied contexts contemporary theatre is a rich source for increasing the visibility of communities generally perceived by others as minorities or those who see themselves as such Whether of a linguistic ethnic political social cultural or sexual nature the claims of minorities enjoy a privileged medium in theatre Perhaps it is because theatre itself is linked to the notions of centre and periphery conformism and marginality domination and subjugation notions that minority theatre constantly examines by staging them that it is so sensitive to the issues of troubled and conflicted identity and able to give them a universal resonance Among the questions raised by this volume is that of the relationship between the particular and the more general aims of this type of theatre How is it possible

to speak to everyone or at least to the majority when one is representing the voice of the few Beyond such considerations urgent critical examination of the function and aims of minority theatre is needed To what kind of public is such drama addressed Does it have an exemplary nature How is it possible to avoid the pitfalls and the dead end of ghettoization Certain types of audience specific theatre are examined in this context as for example theatre as therapy theatre as an educational tool and gay theatre Particular attention is paid to the claims of minorities within culturally and economically dominant western countries These are some of the avenues explored by this volume which aims to answer fundamental questions such as What is minority theatre and why does theatre a supposedly bourgeois if not to say elitist art form have such affinity with the margins What if particularly in contemporary society the theatre as a form were merely playing out its fundamentally marginal status The authors of these essays show how different forms of minority theatre can challenge cultural consensus and homogenization while also aspiring to universality They also address the central question of the place and status of apparently marginal forms of theatre in the context of globalization and in doing so re examine theatre itself as a genre Not only do they illustrate how minority theatre can challenge the dominant paradigms that govern society but they also suggest their own more flexible and challenging frameworks for theatrical activity

Façonné par la Haine, l'Exclusion et le Racisme Tarcisse Ruhamyandekwe, 2024-05-17 Ce livre raconte l'histoire de Tarcisse Ruhamyandekwe dont le parcours a commencé sa naissance au Rwanda Dans sa vie il a vu tellement d'actes d'exclusion de discrimination et de racisme que sa première réaction était toujours de les ignorer Ce n'était pas normal mais c'était acceptable Ce comportement était en quelque sorte le résultat de sa vie en général L'exclusion la discrimination et le racisme étaient présents dès le début de sa vie Il est né au Rwanda alors un pays où le racisme était violent et qui a culminé avec l'horrible génocide contre les Tutsis en 1994 Entre l'âge de cinq et sept ans il a vu des soldats du régime politique postcolonial emmener son père au milieu de la nuit sous la menace d'armes feu simplement parce qu'il était Tutsi Entre l'âge de sept et treize ans on lui demandait régulièrement de se lever et de servir son groupe ethnique Tutsi en classe Au début de la vingtaine il a été expulsé de l'Université nationale du Rwanda et s'est exilé cause de son groupe ethnique Au milieu de la vingtaine il était un étudiant sans papiers constamment soumis des noms préjoratifs au Zaïre et la fin de la vingtaine il était un réfugié sans pays au Swaziland Avec ce bagage le traiter de négre dans la quarantaine au Canada n'était pas une insulte qui allait changer sa vie Mais un racisme sournois allait le priver d'opportunités incroyables dans une société où la vie dépend grandement de la performance financière Il a alors compris que pour une personne noire au Canada et qui plus est immigrante la fenêtre d'opportunités est si petite que non seulement vous avez un temps limité pour la saisir mais également besoin de compétences spécifiques pour réussir et non sombrer dans un environnement hostile Mais la fin ceux qui ont mis des difficultés et des embûches dans sa vie ont fait de lui une meilleure personne plus forte compatissante et plus résiliente

Oeuvres Complètes de Alfred de Musset Alfred de Musset, 1881 **Disobey!** Frederic Gros, 2021-05-04 Exploring the philosophy of disobedience The world is out of joint so much so that disobeying

should be an urgent question for everyone In this provocative essay Frédéric Gros explores the roots of political obedience Social conformity economic subjection respect for authorities constitutional consensus Examining the various styles of obedience provides tools to study invent and induce new forms of civic disobedience and lyrical protest Nothing can be taken for granted neither supposed certainties nor social conventions economic injustice or moral conviction Thinking philosophically requires us never to accept truths and generalities that seem obvious It restores a sense of political responsibility At a time when the decisions of experts are presented as the result of icy statistics and anonymous calculations disobeying becomes an assertion of humanity To philosophize is to disobey This book is a call for critical democracy and ethical resistance

Des morts et des vivants Viviane de Montalembert, 2017-10-06 Qu'est-ce que le bon ou le mauvais Qu'est-ce que le mal L'humanité est-elle divisée en deux catégories d'individus les bons et les méchants Peut-on se parer le monstre de l'homme normal Telles sont les questions posées aujourd'hui encore par la violence qui se tend sous nos yeux tous les continents Pour répondre Viviane de Montalembert explore les grands textes bibliques L'écriture enseigne son lecteur faire la différence entre les bons et les méchants Ces derniers y sont toujours présents comme des zombies des morts qui ne pensent qu'à tuer et dominer et les premiers comme des vivants qui leur montrent le chemin et les appellent à vivre Une redécouverte magistrale de la Bible dans ce qu'elle a de plus original et qui se cartographie radicalement des sentiers battus
