The Logic of Our Language Rodger L. Jackson, Melanie L. McLeod, 2014-11-04 The Logic of Our Language teaches the practical and everyday application of formal logic Rather than overwhelming the reader with abstract theory Jackson and McLeod show how the skills developed through the practice of logic can help us to better understand our own language and reasoning processes The authors goal is to draw attention to the patterns and logical structures inherent in our spoken and written language by teaching the reader how to translate English sentences into formal symbols Other logical tools including truth tables truth trees and natural deduction are then introduced as techniques for examining the properties of symbolized sentences and assessing the validity of arguments A substantial number of practice questions are offered both within the book itself and as interactive activities on a companion website [An Offer You Can't Refuse](#) Jill Mansell, 2009-04-01 What s a girl to do with An offer you can t refuse A new bestseller from one of the UK s biggest authors Nothing could tear Lola and Dougie apart except his mother Seventeen year old Lola has no intention of accepting when her boyfriend s snobbish mother offers her a huge bribe to break up with him Then Lola discovers a secret that makes her think again and the only way she can help one of the people she loves most in the world is to take the money and break Dougie s heart Ten years later when Lola meets Dougie again her feelings for him are as strong as ever She ll do almost anything to get him back but she can never tell him the truth Can she overcome his bitterness and win his heart She s attractive persuasive and endlessly optimistic but even Lola s got her work cut out for her this time PRAISE FOR AN OFFER YOU CAN T REFUSE Pick this up at your peril you won t get a thing done till it s finished You won t be disappointed in this gem Hot Stars Magazine Pick this up at your peril you won t get a thing done till it s finished Heat magazine Witty and charming this easygoing tale is full of twists that make it hard to put down Woman Classy chick lit that appeals to women of all ages She Jill Mansell has a fantastic ability to keep a number of storylines running at the same time without losing the reader in a labyrinth Daily Express Warm and funny Heat magazine A romantic romp full of larger than life characters Express Fast furious and fabulous fun To read it is to devour it Company A light hearted and likeable tale Prima A jaunty summer read Daily Mail A great comical read Birmingham Post *The Terpsichorean* , 1919 **Green Cane and Juicy Flotsam** Carmen C. Esteves, 1991 Perhaps the most salient feature of the stories collected here is their presentation of the multiplicity of voices of Caribbean women Parable II No Dust is Allowed in This House of Nuns and Punishment Reminds us of the accomplishments of Caribbean women and promise of their writing **Spanish American Women's Use of the Word** Stacey Schlau, 2022-10-18 Women s participation both formal and informal in the creation of what we now call Spanish America is reflected in its literary legacy Stacey Schlau examines what women from a wide spectrum of classes and races have to say about the societies in which they lived and their place in them Schlau has written the first book to study a historical selection of Spanish American women s writings with an emphasis on social and political themes Through their words she offers an alternative vision of the

development of narrative genres critical fictional and testimonial from colonial times to the present The authors considered here represent the chronological yet nonlinear development of women s narrative They include Teresa Romero Zapata accused before the Inquisition of being a false visionary In s Su rez nun and writer of spiritual autobiography Gertrudis G me z de Avellaneda author of an indigenist historical romance Magda Portal whose biography of Flora Trist n furthered her own political agenda Dora Alonso who wrote revolutionary children s books Domitila Barrios de Chungara political leader and organizer Elvira Orph e whose novel unpacks the psychology of the torturer and several others who address social and political struggles that continue to the present day Although the writers treated here may seem to have little in common all sought to maneuver through institutions and systems and insert themselves into public life by using the written word often through the appropriation and modification of mainstream genres In examining how these authors stretched the boundaries of genre to create a multiplicity of hybrid forms Schlau reveals points of convergence in the narrative tradition of challenging established political and social structures Outlining the shape of this literary tradition she introduces us to a host of neglected voices as well as examining better known ones who demonstrate that for women simply writing can be a political act
