Lead Me On:

LEAD ME ON M.J. Schiller, 2023-08-25 Getting involved with each other may require some actual conversation Caleb Winthrop was conversation challenged Especially when it came to the opposite sex I didn't believe it at first when the guys told me Sophie was checking me out A beautiful girl like her interested in the Mohawk wearing lead guitarist for a rock band It seemed far fetched But my band members kept pushing me toward her so I gave in and made an attempt at talking to her if only to shut them up Sophie Lockhart has had her heart broken before That's why my attraction to Caleb was so insane When one thought about honesty and faithfulness Caleb Winthrop's name is not what came to mind Now if the word was sexy or unbelievably hot he would definitely be at the top of that list But he was the ultimate bad boy or at least he seemed to be And that was not the type of guy I could trust with my heart Even if it was I'd never be able to work up the nerve to talk to him Can these two introverts find their way to each other Or will each crawl back into the comfort of their protective shell on Last Chance Beach

Lead Me On Victoria Dahl, 2015-11-16 Raw animal magnetism is a big red flag to prim and proper office manager Jane Morgan After a rough childhood with a mother who liked her men in prison jumpsuit orange Jane changed her name her look and her taste for bad boys So why is she lusting for William Chase with his tattoo covered biceps and steel toed boots The man blows things up for a living She gives herself one explosive fantasy filled night with Chase The next day it's back to plain Jane and safe men But when her beloved brother becomes a murder suspect it's Chase who comes to her rescue And Jane discovers that a man who's been around the block knows a thing or two about uncovering the truth

Why Would You Lead Me On? T. Collins, 2021-07-11 The purpose of this book was to show the reader not to accept less than what they deserve Some people think they need to settle because they have children with someone the sex is too good or they do not want to start over again This book shows that when you make these mistakes the outcome can lead to some alarming results You have to ask yourself is the person leading you on or are you asking so much from a person who is not ready to be in a relationship Sometimes people unknowingly force someone in a relationship by being emotional and the person who will not commit will feel obligated based on your emotions I have also noticed that some people desire one thing initially and later change their minds without the other individual knowing Never try so hard to keep someone who does not want to be maintained I want people to read this so they can see the signs and understand their worth You do not have to be bitter off one person when there are millions to choose from every day Again some people love the attention and someone else can give you the same kindness If you knowingly see that you are second do not stay with that person It will only get worse This book does not have chapters because I am different I want you to feel as if you are there and not just reading the book

The Mud Folio David Greenberg, 2011-09 DAVID GREENBERG has directed Grammy nominated music videos scripted the platinum selling KISS EXPOSED for Paul deadbeats who should be out making the big bucks or more importantly changing millions of lives the world over These days he'd be grateful for pennies on the dollar and a few listeners given a
