## **Murder Spoils The Perfect Romance An Amy Bell Mystery:**

**Murder Spoils the Perfect Romance** David Schwinger, 2014-12-11 Twenty five year old Nicole Barrett never thought she'd fall in love. Worn down by the horrible men from her past, she preferred to live life as a loner and keep to herself. But when she met Jason, everything changed. Jason was sweet, caring, and romantic. He was everything she never knew she was looking for. Enough to turn her from a jaded singleton to a blushing bride. Then tragically, one month after her wedding day, the newlywed was shot and killed on a Manhattan street. Now private investigator Amy Bell is on the case, and it's not long before she uncovers Nicole's biggest secret: an illicit double life known only to her best and only friend. Using this new information to her advantage, Amy is able to extract details from her suspects in a rather unconventional manner. Set after the events of *The Teacher's Pet Murders*, *Murder Spoils the Perfect Romance* is the second of the Amy Bell mystery novels. As she continues to experience personal and professional growth, Amy finds herself investigating some unusual and mature aspects of romantic relationships, immersing herself in an unfamiliar world to get to the bottom of yet another perplexing murder mystery.

Letter-Perfect Murder David Schwinger, 2016-06-03 Author David Schwinger returns with *Letter Perfect Murder*, another thrilling murder mystery. Bernice Speerman convinces her husband Charles to go to the police after three men accuse him of blackmailing them. Each man receives a letter referring to the death of Nathan Mattley fourteen years earlier when they were all teens and part of a group named the Legends. Nathan allegedly died while trying to become a member, and the anonymous letter writer threatens that if they don't pay up, he'll release details relating to Nathan's death. Bernice's fear comes true when Charles is shot and killed just a few days later. NYPD Detective Stanley Davison asks Spy4U private investigator Amy Bell for her help. Amy discovers that Charles's investment company had been struggling, leading to the accusation that he's behind the blackmail. Each of the three men has motive, but which one of them committed the crime? Or is there someone else with just as much motive, if not more? Before she is done, Amy will solve the mysteries of both Nathan and Charles's deaths.

*Murder Couldn't Wait* David Schwinger, 2019-03-12 Jack Markov was building his professional reputation as nurse manager by moving from one medical group to another and implementing the changes he believed were necessary to ensure that they would thrive in the coming decades. But these changes adversely affected the benefits and working conditions of his nurses. Now Jack was coming to the North Bayonne Medical Group, and his reputation had preceded him. At the retirement party for the outgoing nurse manager, Jack gave a speech reaffirming the nurses' worst fears. Someone attending the affair decided to act before Jack could even start his first day on the job. That person poisoned Jack's drink with methanol, and a few hours later Jack was dead. Two months later, the police were making no progress, and the medical group hired detective Amy Bell to investigate the killing. Amy soon realized that she had an overabundance of suspects. All twenty-three nurses at the party hated Jack's guts. So did their spouses, many of whom were also in attendance. But as the vivacious and witty Amy dug deeper, she discovered that several people at the party had other motives for killing Jack. She uncovered ugly and painful

secrets that they would not want revealed However even with the assistance of her husband Jeremy with whom she had many loving but fierce political disputes Amy realized that identifying the killer at this point was a long shot And bringing the killer to justice by coming up with proof was an even longer shot Author David Schwinger when not writing Amy Bell mysteries there are now ten enjoys composing songs playing pickleball and traveling the world with his wife Sherryl He first met Sherryl when she was his student in a mathematics class he taught at City College of New York Their secret romance became the inspiration for his first Amy Bell mystery *The Teacher's Pet Murders* *Willing to Murder* David Schwinger,2016-11-29 Life is good for Amy Bell and her husband Jeremy Green Amy's PI job at Spy4U Services may be dangerous sometimes but she wouldn't have it any other way Amy's a little too competitive for her own good and it may just put her in a killer's crosshairs The investigation starts with the violent death of millionaire investor and philanthropist Nelson Cotter who went on television to talk about putting his two sons back into his will and cutting out his loyal employees and friends When Nelson is shot to death after leaving his mistress's apartment the old will goes into effect and his business manager housekeeper chauffeur and lover are set to receive millions The police are getting nowhere and Spy4U Services is hired to speed up the investigation Amy throws herself into the case but knows it won't be an easy one With everyone in the household a suspect it may be harder to find someone who didn't want Nelson dead than someone who did Greed deception betrayal and complex relationships cloud the case and have Amy going in circles Can she uncover the truth before the killer strikes again Murder Was the Only Option David Schwinger,2025-06-25 When James Mandoor founder and president of Mandoor Specialty Insurance MSI married his recently hired receptionist Elaine who was half his age many people were not very optimistic regarding the future of the marriage But two years later both Elaine and James seemed to be very happily married and very much in love Then the Yonkers police found the bodies of Elaine and also that of a con man ladies man named Gary on the floor of a small secluded cabin owned by MSI Both had been shot dead The three VPs of MSI got together to retain the services of smart sexy supersleuth Amy Bell to investigate the double murder She soon discovered that Elaine's past behavior was very far from squeaky clean and there were several people who had reasons to want her dead The same for Gary in spades However many of Amy's suspects had good alibis and others passed lie detector tests Clearly Amy was missing something something big while her chances to find some sort of new evidence were running thin Could she somehow break through and solve the double murder Author David Schwinger when not writing Amy Bell mysteries there are now eighteen enjoys composing songs playing trivia and traveling the world with his wife Sherryl David first met Sherryl when she was his student in a mathematics class he taught at City College of New York Their secret romance became the inspiration for his first Amy Bell mystery *The Teacher's Pet Murders* **Murder Finds A Way** David Schwinger,2022-11-29 Carl Bayman was a very successful personal injury attorney until he was found shot to death in his office on a Monday morning in January The police were making no progress so one of Carl's grateful former clients hired a smart sassy sexy

supersleuth Amy Bell to try to solve the case Amy soon discovered that lots of people might want Carl dead However none of them had any particular grievance that arose in the weeks prior to the murder and all of them seemed to have excellent alibis at the time of the murder Clearly there must be some critical element of the case that everyone was missing Amy would have to think way out of the box to uncover the shocking truth Author David Schwinger when not writing Amy Bell mysteries there are now fourteen enjoys composing songs playing pickleball and traveling the world with his wife Sherryl He first met Sherryl when she was his student in a mathematics class he taught at City College of New York Their secret romance became the inspiration for his first Amy Bell mystery *The Teacher's Pet Murders* *Outfoxed by Murder* David Schwinger, 2024-10-30 When Lance Redding put on his full body fox costume with a smiling fox head and then changed back to regular clothes some women found him irresistible But as a rule Lance was anything but nice to those women When Lance was shot to death shortly after hosting a fox party at his home his business colleague and good friend George hired smart and sexy supersleuth Amy Bell to investigate She quickly discovered that while there were lots of suspects they all had seemingly airtight alibis Clearly she was missing something something big It would require all of Amy's talents to solve this case Or would Amy end up being outfoxed Author David Schwinger when not writing Amy Bell mysteries there are now seventeen enjoys composing songs playing trivia and traveling the world with his wife Sherryl David first met Sherryl when she was his student in a mathematics class he taught at City College of New York Their secret romance became the inspiration for his first Amy Bell mystery *The Teacher's Pet Murders* **Murder Was Necessary** David Schwinger, 2024-01-18 Scott Maybank had achieved his life's dream by founding and becoming president of the very successful Best Bodies Super Gym Then he and his VP for finance were both shot dead while in Scott's office for a private meeting after closing time Scott's friend Paul hired sexy supersleuth Amy Bell to solve the murders Amy discovered that while many people had reasons to be jealous of or dislike Scott no one seemed to have a strong enough motive to kill him Or maybe was the killer's intended victim actually the VP To solve these murders Amy would have to think way outside the box Author David Schwinger when not writing Amy Bell mysteries there are now sixteen enjoys composing songs playing pickleball and traveling the world with his wife Sherryl David first met Sherryl when she was his student in a mathematics class he taught at City College of New York Their secret romance became the inspiration for his first Amy Bell mystery *The Teacher's Pet Murders* *Murder in Reverse* David Schwinger, 2023-07-13 Mary Rackner was shot and killed while relaxing in her backyard The police were making no progress so Mary's good friend Christine hired smart sexy supersleuth Amy Bell to solve the case There were many people with a clear motive to kill Mary who was leading an effort to make draconian curriculum changes in the private high school where she was a trustee But was that the only possible motive Not necessarily as Amy soon discovered To identify the killer Amy would have to challenge all the basic assumptions made by the police and also by everyone else Author David Schwinger when not writing Amy Bell mysteries there are now fifteen enjoys composing songs playing pickleball and traveling the world with his
