

Music In Pacific Island C

Gilbert H. Herdt, Stephen C. Leavitt

Music In Pacific Island C:

Music in Pacific Island Worship Ellison Suri, 1976 **Music in Pacific Island Cultures** Brian Diettrich, Jane Freeman Moulin, Michael Hugh Webb, 2011 The islands of Melanesia Micronesia and Polynesia are steeped in diverse musical traditions that reach far beyond the expanse of the Pacific Ocean Music in Pacific Island Cultures is the first brief single volume text to provide a thematic succinct introduction to the music of the Pacific Islands a region of the world that has long been underrepresented in ethnomusicological studies Based on the authors extensive fieldwork and experiences in Pacific Island cultures the text draws on interviews with performers eyewitness accounts of performances vivid illustrations and insights gained from ongoing participation in Pacific music The authors use four themes colonialism belief systems musical flows and the re presentation of Pacific cultures to survey the region and draw parallels and contrasts between its various musical traditions Publisher description

Soundscapes of Wellbeing in Popular Music Gavin J. Andrews, Paul Kingsbury, Robin Kearns, 2016-04-01 Unearthing the messy and sprawling interrelationships of place wellbeing and popular music this book explores musical soundscapes of health ranging from activism to international charity to therapeutic treatments and how wellbeing is sought and attained in contexts of music Drawing on critical social theories of the production circulation and consumption of popular music the book gathers together diverse insights from geographers and musicologists Popular music has become increasingly embedded in complex and often contradictory discourses of wellbeing For instance some new genres and sub cultures of popular music are associated with violence drug use and the angst of living yet simultaneously define the hopes and dreams of millions of young people At a service level popular music is increasingly used as a therapeutic modality in holistic medicine as well as in conventional health care and public health practice The genre of popular music then is fundamental to human wellbeing as an active and central part of people s emotional lives By conceptually and empirically foregrounding place this book demonstrates how music whether from particular places about particular places or played in particular places is a crucial component of health and wellbeing

Adolescence in Pacific Island Societies Gilbert H. Herdt,Stephen C. Leavitt,1998 How do adolescents in greatly divergent societies see and experience the world As the first comparative study of adolescence this book takes an anthropological approach to understanding adolescence in the rapidly changing area of the Pacific Islands The contributors explore coming of age in the tradition of Margaret Mead the biological basis of teenage rebellion the role of the adolescent in Pacific Island cultures and teenagers influence as agents of change Insights into local views of the life cycle and adolescents illustrate the dramatic influence of culture on teenagers The contributors start with the basic tenet that adolescence is a unique phase in the life span because of its simultaneous changes in physical maturation psychological adjustment and social relations the approach demands that adolescence be viewed in the light of broad historical processes The essays examine how biology culture and adolescence intersect and how social change affects the adolescent experience They address the rise of intersex interaction in traditionally segregated communities the problems of cross generational differences in education for maintaining traditional authority structures and the structural effects of personal choice in contracting marriages The book is necessary reading for all those who wish to understand the adolescent in cultural and historical perspective It is ideal for anthropology courses dealing with social change courses in medical or biological anthropology psychology and anthropology courses focusing on development and the life cycle and any course addressing the nature versus nurture question **Popular Music** Bruce Pollock,Nat Shapiro,1964 The Annual American Catalog, 1906 ,1907 **Pacific Coast Musical Review** ,1914
