Little What's-His-Name (Le Petit Chose. French Classics) Alphonse Daudet, 2015-01-06 Little What's His Name Le Petit Chose Alphonse Daudet's 1840-1897 first published though not his first written novel appeared in 1868 The first part was composed in that Southern France it describes so charmingly its first chapters form one of the most touching of autobiographies In the second part Daudet has to tell of the struggles of an idealistic young poet in the selfish devouring whirlpool of Paris The whole book seems to bear the impress of the circumstances under which it was written It is full of the milk of human kindness When Daudet wrote Le Petit Chose in his early manhood he succeeded in producing one of the most delightfully idyllic of his works one that will probably continue to be read as long as any of the more powerful novels of his prime It is one of the most perfect representations in literature of childhood's hopes and fears and of youth's aspirations and defeats It is perfect because it is real Enjoy to the full one of the purest and most exquisite stories of youthful experience to be found in French or in any other literature W P Trent The French Review James Frederick Mason, Hélène Harvitt, 1928
