612 The little prince took great care of this planet preventing any bad seeds from growing and making sure it was never overrun by baobab trees One day a mysterious rose sprouted on the planet and the little prince fell in love with it But when he caught the rose in a lie one day he decided that he could not trust her anymore He grew lonely and decided to leave Despite a last minute reconciliation with the rose the prince set out to explore other planets and cure his loneliness [The LITTLE PRINCE / Le PETIT PRINCE \(Avec Une Biographie Illustrée en Français\)](#) Antoine de Saint-Exupéry,2017-11-28 The Little Prince French Le Petit Prince first published in 1943 is a novella the most famous work of French aristocrat writer poet and pioneering aviator Antoine de Saint Exup ry The novella is one of the most translated books in the world and was voted the best book of the 20th century in France Translated into 300 languages and dialects selling nearly two million copies annually and with year to date sales of over 140 million copies worldwide 6 it has become one of the best selling books ever published After the outbreak of the Second World War Saint Exup ry escaped to North America Despite personal upheavals and failing health he produced almost half of the writings for which he would be remembered including a tender tale of loneliness friendship love and loss in the form of a young prince visiting Earth An earlier memoir by the author had recounted his aviation experiences in the Sahara Desert and he is thought to have drawn on those same experiences in The Little Prince Since its first publication the novella has been adapted to numerous art forms and media including audio recordings radio plays live stage film television ballet and opera **The Little Prince** Antoine Saint-Exupéry,2016-10-14 The Little Prince recounts the relationship between an adult and a child The adult is an aviator who has crash landed in the Sahara desert The child is a golden haired prince who has arrived on Earth after taking a circuitous route from his home on a distant asteroid The prince s tales of sheep and baobab trees and roses and the inhabitants of miniscule planets reveal many truths about the absurdness of the adult world Caroline Gourmand s beautiful new illustrations enhance a text which oscillates between narrative and dialogue and between the language of an adult and the language of a child It is truly unfortunate that we can never know how Antoine de Saint ExupEry would have wanted his book to be interpreted but he has graciously bequeathed us with the simplest of means to reflect on life love and mortality For children aged 8 and upwards *The Little Prince* Antoine de Saint-Exupéry,2011-05 THE LITTLE PRINCE is French aviator Antoine de Saint Exup ry s most famous novella It has been translated into more than 190 languages and sold more than 200 million copies making it one of the bestselling books ever The story first published in 1943 is about a pilot who must make an emergency landing in the desert because of engine problems This is ironic since the author himself took off in a plane over the Mediterranean just a year later and was never seen or heard from again This timeless story has been adapted to various media over the decades including stage screen and operatic works [Le petit prince - The Little Prince + audio download](#) Antoine De Saint-Exupery,2019-08-20 The Little Prince in French and English for Children and Readers of All Ages Revisit the charming tale of the Little Prince the well loved story by Antoine de Saint Exup ry Fall in love with the story all over again while you improve your French language
