societal culture Throughout history we see mainstream fads make way for the tastes of one counter cultural movement of another But with the slow death of Vaudeville corresponding with the meteoric rise of film we see two non mainstream aspects of culture vying for prominence Film and vaudeville vying for significance in the eyes of the public at large gave this era an excitement that is quite unique and I wanted to take advantage of that unique energy when I wrote this play Overall with this play I wanted to create an experience for theater goers I wanted to create something you couldn't see in movies and I wanted to create something audiences couldn't see at a typical night at the theater
