# The Crucible by Arthur Miller

**Your Complete Test Preparation Guide (For Grades 7-12)**

**Multiple Choice Questions, Short Essay & Essay Questions, Mid-Book & Final Test**

### **Multiple Choice Questions**

The Multiple Choice Questions in this Test Preparation Guide will test a student's understanding of The Crucible. The questions are broken out into sections, so they focus on specific chapters within The Crucible. This allows you to test and review the book as you proceed through the unit.

### **Short Essay Questions**

The Short Essay Questions listed in this section require a one to two sentence answer. They ask students to demonstrate a deeper understanding of The Crucible by describing what they have read, rather than just recalling it. The short essay questions evaluate not only whether students have read the material, but also how well they understand and can apply it. They require more thought than a multiple choice question, but are shorter than the essay questions.

### **Essay Questions**

Students should have a full understanding of the unit material in order to answer these questions. They often include multiple parts of the work and ask for a thorough analysis of the overall text. These essays are designed to challenge a student's understanding of the broad points in a work, interactions among the characters, and main points and themes of the text.
