Meeting the Challenge Ellen Rose, 1999-03-16 This collection demonstrates how feminist pedagogy can be implemented in a variety of institutional and disciplinary settings Unlike most of the current literature it provides a vast array of examples of feminist pedagogy in action It suggests practical ways of creating classroom environments open to feminist and anti racist teaching way feminists at universities can intervene in community programs and how to apply feminist pedagogy to new challenges such as distance education cyberspace fiscal constraints and the changing political climate Meeting the Challenge also looks to other nations for examples of how to successfully implement feminist pedagogy **La**

Concierge Elli Kohen, Dahlia V. Kohen-Gordon, 2001-01-20 La Concierge is a diary like book of fictionalized life like figures around whom revolve other individuals permanent presences or passersby engaged in their daily trivial or not so trivial activities It somewhat reminds one of books written by the French author Fran oise Sagan who became an instant success with her triad Bonjour Tristesse Un Certain Sourire and Aimez vous Brahms subtle character novels encompassing young girl diaries experiences night scenes of Sorbonne students endless sequences of dance spots and nightclubs until the wee hours love triangles and quadrangles The book is a mini version of Balzac s or Saroyan s Comedie Humaine and Human Comedy It is a sort of candid camera of the heart and modern mores more similar to camcorder images The collection of characters met as they come to pass around the Concierge desk also reminiscent of XVIIth century s La Bruyere s Caracteres Characters With parading personages from the most attractive and personable to the exquisitely obnoxious the space around the Concierge desk is a living observation laboratory of psychological images and situations In this multiplicity of scenarios somehow similarly to La Bruyere s work the unifying thread is the master idea to expose the ridiculous and the false which in daily activities despite their meaninglessness arouse much passion and controversy **They Were Legal: Balzac Y Lopez**

Diane Fortuna, 2012-01-04 They Were Legal Balzac y Lopez The History of an Hispanic Family New York 1901 1906 In Part I of They Were Legal Balzac y Lopez Spanish and French Pepn Balzac a compositor and translator emigrates from Puerto Rico just after the Annexation Once in New York City he finds himself in the vortex of irresistible events the assassination of McKinley World War I the Spanish Flu Epidemic the Depression and the Great Hurricane of 1938 Coming from a genteel island culture Pepn runs smack into the dog eat dog immigrant existence that kills his sister in law Daisy Lopez in the Triangle Fire 1911 Part II presents the tears and laughter of Nena Pepns daughter weaver of tales preserver of the past mother and surrogate mother avid moviegoer and kindest of kind spirits **Shapeshifters** Aimee Meredith Cox, 2015-08-07

In Shapeshifters Aimee Meredith Cox explores how young Black women in a Detroit homeless shelter contest stereotypes critique their status as partial citizens and negotiate poverty racism and gender violence to create and imagine lives for themselves Based on eight years of fieldwork at the Fresh Start shelter Cox shows how the shelter s residents who range in age from fifteen to twenty two employ strategic methods she characterizes as choreography to disrupt the social hierarchies

and prescriptive narratives that work to marginalize them Among these are dance and poetry which residents learn in shelter workshops These outlets for performance and self expression Cox shows are key to the residents exercising their agency while their creation of alternative family structures demands a rethinking of notions of care protection and love Cox also uses these young women s experiences to tell larger stories of Detroit s history the Great Migration deindustrialization the politics of respectability and the construction of Black girls and women as social problems With *Shapeshifters* Cox gives a voice to young Black women who find creative and non normative solutions to the problems that come with being young Black and female in America *TV Fiction Classics Magazine* Sandy Thomas,1987 *Capitalist Humanitarianism* Lucia

Hulsether,2023-01-04 The struggle against neoliberal order has gained momentum over the last five decades to the point that economic elites have not only adapted to the Left s critiques but incorporated them for capitalist expansion Venture funds expose their ties to slavery and pledge to invest in racial equity Banks pitch microloans as a path to indigenous self determination Fair trade brands narrate consumption as an act of feminist solidarity with women artisans in the global South In *Capitalist Humanitarianism* Lucia Hulsether examines these projects and the contexts of their emergence Blending historical and ethnographic styles and traversing intimate and global scales Hulsether tracks how neoliberal self critique creates new institutional hegemonies that in turn reproduce racial and neocolonial dispossession From the archives of Christian fair traders to luxury social entrepreneurship conferences from US finance offices to Guatemalan towns flooded with their loan products from service economy desperation to the internal contradictions of social movements Hulsether argues that capitalist humanitarian projects are fueled as much by a profit motive as by a hope that racial capitalism can redeem the losses that accumulate in its wake *Ladies' Home Companion* ,1912 *Unmasking Masculinity (Routledge Revivals)* David Jackson,2015-08-11 In this detailed investigation of masculine gendered identity first published in 1990 David Jackson uses his own personal history to look at the specific ways in which men become masculine In doing so he examines but also offers some positive challenges to the assumed qualities and values of growing up manly Jackson looks closely at the psychological and social forces active in his own development relations with his father violence at school male banter and joking sporting activities boys comics and sexual relations The title is a deliberate blend between life story and critical commentary that makes use of some areas of post structuralist theory to make visible the social and emotional processes that contribute to one man s life history With an innovative theoretical approach this reissue will be of particular value to those interested in the social psychological and cultural forces that have gone into the historical shaping of men and masculinities

The Wounded Heart Yvonne Yarbro-Bejarano,2001-11-15 Analyses the in between spaces in Moraga s writing where race gender class and sexuality intermingle Contributes to the development of a language to talk about sexuality as potentially empowering the place of desire within politics and the intricate workings of racialised desire *Autobiography and the Construction of Identity and Community in the Middle East* NA NA,2016-04-30 Ranging from the early modern period

to the present day this edited collection uses biography as a window into the history of the Arab Islamic Middle East The contributors reinterpret the lives of the famous such as George Antonius and Doria Shafiq and rediscover the lives of individuals previously consigned to the margins of history including the notorious individuals of 17th century Syria and the 20th century Palestinian activist Kulthum Auda The book also draws on the biographical tradition of Arab historical writing including biographical dictionaries for an understanding of the region s social and cultural history Interdisciplinary in scope and theoretically informed this volume brings to light individual lives which are essential to an understanding of Middle Eastern history **Sex Change** Thomas Kando,1973 *Intersexualit t Geschlechtsumwandlung* **Munsey's Weekly** ,1917

Jennifer Sinor,2002-11-13 Exciting and beautifully crafted The Extraordinary Work of Ordinary Writing provides an entirely new way of viewing ordinary writing the everyday writing we typically ignore or dismiss It takes as its center the diary of Jennifer Sinor s great great great aunt Annie Ray a woman who homesteaded in the Dakotas in the late nineteenth century Diaries such as this have long been ignored by scholars who prefer instead to focus on diaries with literary features Reading diaries through this lens gives privileged status to those that are coherently crafted and ignores the very diaries that define the form through their relentless inscription of dailiness Annie Ray s diary is not literary By considering her ordinary writing as a site of complex and strategic negotiations among the writer the form of writing and dominant cultural scripts Sinor makes visible the extraordinary work of the ordinary writer and the sophistication of these texts In providing a way to read diaries outside the limits and conventions of literature she challenges our approaches to other texts as well Furthermore because ordinary writing is not crafted for aesthetic reception in contrast to autobiography proper memoirs and literary diaries it is a productive site for investigating how both writing and culture get made every day The book is truly original in its form nontraditional storied creative Sinor an accomplished creative writer includes her own memories as extended metaphors in partnership with critical texts along with excerpts from her aunt s diary The Extraordinary Work of Ordinary Writing will be a fascinating text for students of creative writing as well as of women s studies and diaries **American Indian Quarterly** ,2000 The Single-parent Family in Children's Books Catherine Townsend Horner,1988
