Humphrey's murder nearly twenty nine years after his death Whenever innocent blood is spilled in a cold bizarre manner the emotional mental and physical devastation is made even greater by either intentional or unintentional actions we naturally blame on the system Sad to say it's not the system just some people in it the choices and decisions they make Mishaps mistakes legal or local bias laziness political or personal agenda's more often than we realize only repeatedly re-victimize families or people we love or that love us What followed the gruesome senseless slaying of Jack Humphrey was one of the most shocking cruel and riveting persecutions of a victim's family anyone could imagine How did the murder of an honest hard working family man of average means become such a politically sensitive unsolved murder case and remain so for over a quarter of a century That's the billion dollar question you ultimately must answer for yourself Throughout this tumultuous journey it's clear that good men and women then and now risk careers their families lives and reputations every day either fighting for truth and justice or falling to the temptation of the oldest and still deadliest of sins Lust Lies Sloth Greed and Murder For any one left to navigate through a very tricky risky tedious and complex maze filled with paper and people Justice for Jack is a must read Uncle Jack; Or, Testing Hearts S.
