Kiss The Ring:

Kiss the Boys Goodbye Monika Jensen-Stevenson, William Stevenson, 2014-11-18 The classic account of the abandonment of American POWs in Vietnam by the US government For many Americans the recent conflicts in Iraq and Afghanistan bring back painful memories of one issue in particular American policy on the rescue of and negotiation for American prisoners One current American POW of the Taliban Sergeant Bowe Bergdahl stands as their symbol Thousands of Vietnam veteran POW activists worry that Bergdahl will suffer the fate of so many of their POW MIA comrades abandonment once the US leaves that theater of war Kiss the Boys Goodbye convincingly shows that a legacy of shame remains from America's ill fated involvement in Vietnam Until US government policy on POW MIAs changes it remains one of the most crucial issues for any American soldier who fights for home and country particularly when we are engaged with an enemy that doesn't adhere to the international standards for the treatment of prisoners or any American hostage as the graphic video of Daniel Pearl's decapitation on various Jihad websites bears out In this explosive book Monika Jensen Stevenson and William Stevenson provide startling evidence that American troops were left in captivity in Indochina victims of their government's abuse of secrecy and power The book not only delves into the world of official obstruction missing files censored testimony and the pressures brought to bear on witnesses ready to tell the truth but also reveals the trauma on patriotic families torn apart by a policy that at first seemed unbelievable to them First published in 1990 Kiss the Boys Goodbye has become a classic on the subject This new edition features an afterword which fills in the news on the latest verifiable scandal produced by the Senate Select Committee on POWs Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

The Traditional Games of England, Scotland, and Ireland Alice Bertha Gomme, 2020-07-24 Reproduction of the original The Traditional Games of England Scotland and Ireland by Alice Bertha Gomme **The Traditional Games of England, Scotland, and Ireland With Tunes, Singing-Rhymes and Methods of Playing etc. (Complete)** Alice Bertha Gomme,

The American Ecclesiastical Review Herman Joseph Heuser, 1944 **The Domestication of Human Trafficking** Katrin Roots, 2022-11-01 Human trafficking has emerged as one of the top international and domestic policy concerns and is well covered and often sensationalized by the media The nature of the topic combined with various international pressures has resulted in an array of government led mandates to combat the issue The Domestication of Human Trafficking examines Canada's criminal justice approaches to human trafficking with a particular focus on the ways in which the intersecting factors of race class gender and sexuality impact practice Using a wide range of qualitative and empirically grounded

research methods including extensive analysis of court documents trial transcripts and interviews with criminal justice actors this book contributes to much needed research that examines specifics and sometimes complicates the narratives of how trafficking works as a criminal offence The Domestication of Human Trafficking turns our attention to the ways in which the offence of human trafficking is made on the front lines of criminal justice efforts in Canada *The Traditional Games of England, Scotland, and Ireland* Alice Bertha Gomme,1894 with tunes singing rhymes and methods of playing according to the variants extant and recorded in different parts of the Kingdom **The Pilgrims of the Thames** Pierce Egan,1838 *The Curiosities of Kissing* Alfred Fowler,1905 *The Traditional Games of England, Scotland, and Ireland* ,1898 *The Empty Chalice* Joyce Surman,2008-10 Drinking to the very dregs the chalice given it here is the remarkable and inspirational story of a soul that has found unexpectedly a heavenly sweetness in its bitterness After reading this book the reader is left to ponder the question Can I too drink the chalice offered me and find in it not bitterness but the sweetness of God s Will This account of a soul s ascent from the shadows of Gethsemane to the light of Tabor is therefore a shining beacon for our age pointing the way that we should go if we are to find that for which every human heart yearns true peace and perfect joy If you are a person in search of true peace and perfect joy especially if the fragile ship of your soul is being tossed amidst the tempestuous seas of sorrow and suffering you will find here an anchor to which to moor your soul in the radical reversal of the transforming union as described in this book **The Jewelers' Circular** ,1924 *The Family Encyclopedia of Useful Knowledge and General Literature ...* John Lauris Blake,1834 *The Works* Alfred Tennyson,1895 *Monthly Packet of Evening Readings for Members of the English Church (earlier "for Younger Members of the English Church")* ,1890 *The Games & Diversions of Argyleshire* Robert Craig Maclagan,1901 **English Folk-rhymes** G.
