**Knight** Julia Sykes, 2013-11-27 Abducted Drugged Broken I am plaything a possession If I did ever have a name I don't remember it now Slaves don't have names But then my new Master rescued me and took me into his care He protects me from the sadistic madman who is determined to steal me back from him Master's touch keeps me sane His control keeps me grounded in reality I am utterly devoted to my savior but his brand of rescue might leave me more broken than ever Do I have a hope of finding freedom when he refuses to release my heart Or is this new form of captivity exactly what I need to survive
