Knitting Patterns For Baby Matinee Jackets:

The Homestead, 1918 **Doing Prison Work** Elaine M Crawley, 2013-01-11 This book provides a much needed sociological account of the social world of the English prison officer making an original contribution to our understanding of the inner life of prisons in general and the working lives of prison officers in particular As well as revealing how the job of the prison officer and of the prison itself is accomplished on a day to day basis the book explores not only what prison officers do but also how they feel about their work In focusing on how prison officers feel about their work this book makes a number of interesting revelations about the essentially domestic nature of much of the work they do about the degree of emotional labour invested in it and about the performance nature of many of the day to day interactions between officers and prisoners Finally the book follows the prison officer home after work showing how the prison can spill over into their home lives and family relationships Based on extensive ethnographic fieldwork in different types of prisons including interviews with prison officers wives and children as well as prison officers themselves this book will be essential reading for all those with an interest in how prisons and organisations more generally operate in practice *Creative Approaches in Dementia Care* Hilary Lee, Trevor Adams, 2017-09-16 A practical introduction to the use of the arts in dementia care Based on experience the book provides clear guidance on how to employ a variety of innovative techniques including art music and dance therapies to promote the physical psychological emotional social and spiritual well being of people with dementia **A Dream to Share** June Francis, 2017-04-03 Her sister paid a terrible price Can she avoid the same fate A quest for revenge leads a young woman to a new friend but also puts her in grave danger Can love triumph over evil Chester 1907 Emma Griffiths sister took her own life when she became pregnant out of wedlock to a man who refused to take responsibility Now Emma is out to avenge her sister s death Emma leaves her job as a maid no longer willing to put up with unwanted attention from her employer As poverty threatens to engulf her she meets another young servant Alice who is struggling to escape her own unhappy past Emma and Alice become close and it soon becomes apparent that the two girls lives may be linked in more ways than one Just as she finds love Emma s newfound happiness is threatened when she realises that she may not be the only one seeking revenge The One That Got Away Zoë Wicomb, 2009-06-09 These short stories from the award winning South African author combine the coolly interrogative gaze of the outsider with an insider s intimate warmth J M Coetzee Zoë Wicomb s debut short story collection *You Can t Get Lost* in Cape Town won critical acclaim across the globe as well as high praise from fellow authors including Toni Morrison J M Coetzee Bharati Mukherjee and Gayatri Chakravorty Spivak Now after two novels Wicomb returns to the genre that first brought her international acclaim Set mostly in the South African city of Cape Town where Wicomb is from and the Scottish city of Glasgow where she now lives this new collection of short stories straddles two worlds With an array of expertly drawn characters these twelve tales explore a range of human relationships marriage friendship family and the fraught yet often intimate relations between those who serve and those who are served
