Bypass Tamara V Gozzi, 2016-10-07 After An Atheist in the Presence to keep writing and sharing the amazing experience of walking with God was almost a must It is a duty as disciples of Jesus to share with the audience what the transformational power of God can do in peoples lives We are living difficult times so much so that the supernatural has become necessary if we want to be successful citizens Unemployment natural disasters bankruptcies diseases and even rare diseases are no longer under our control We are literally living the end times and it is time to wake up and rise Whether we believe it or not whether we see it or not the invisible realm is real The lack of knowledge will destroy us as the Bible stipulates but if we choose humility over pride we can certainly start operating in the supernatural and use the tools available to us and face our adversities This book will help you understand that the invisible realm is as real as the visible realm therefore in order to operate effectively in the spiritual world it is necessary to make a bypass to our reasoning and start obeying the commandments *An Engineer's Guide to Happiness:* David Andrew, 2022-02-16 David Andrew is an incredibly fortunate

optimistic man who wishes to convey to his audience with clarity using real world examples and specific tools how to look forward and feel excitement in their lives He also hopes to teach his audience to look back in time and see things differently In short he wants us all to attain the often elusive happiness we all seek With the goal of helping others to see things differently and in positive and helpful ways he shares insight into what he has identified as the CRITICAL ELEMENTS to leading a fabulous life While offering an in depth objective analysis of each of the elements he provides a simple roadmap that encourages others to evaluate their behaviors prepare for and overcome the inevitable failures that accompany living a full life develop healthy relationships avoid negativity make good choices and ultimately create amazing days that lead to overall fulfillment and happiness In this comprehensive guide as an entrepreneurial engineer he shares an analysis of each of the CRITICAL ELEMENTS of happiness that have the power to positively impact our direction and attitude in life
