Exploring Psychology David G. Myers,2002-10-22 From his experience as an author and teacher David Myers has concluded that students digest material more easily when it is presented in smaller chunks Ask students whether they would prefer a 600 page book to be organized as fifteen 40 page chapters or as forty 15 page chapters and their answers will approach a consensus students prefer shorter chapters And research on learning strategies supports this preference chunked material is more easily digested Responding to student preference and learning research Myers has created a modular version of his best selling brief introductory text *Exploring Psychology* *Exploring Psychology Fifth Edition in Modules* reorganizes the 15 chapters of *Exploring Psychology Fifth Edition* into 40 short chapters or modules The modular organization offers instructors more freedom to pick and choose from a smorgasbord of topics Instead of deciding whether to assign the whole chapter on consciousness instructors can simply assign the module on sleep and dreams the module on hypnosis and or the module on drugs and behavior Given that each module stands alone and is not dependent upon the content found in other modules instructors can also choose to cover the modules in any order they please Featuring the latest research and teaching innovations Myers new text reflects the author s continuing drive to discover the most effective way to communicate psychology s major ideas to an uninitiated audience Note *Exploring Psychology Fifth Edition in Modules* is now available saleable in two different saleable versions a A hardcover spiralbound text similar in structure to the spiralbound Myers in Modules b A perfectbound paperback text The features that have made David Myers introductory psychology textbooks such phenomenal successes compelling narrative critical thinking theme superior design are all present in

Exploring Psychology Fifth Edition in Modules The way those hallmark features are presented is different This is NOT a brief version of Psychology Myers in Modules Sixth Edition Rather this new text is a Modularized version of Exploring Psychology Fifth Edition Therefore it enjoys all of the hallmark features of Exploring Psychology Fifth Edition SQ3R pedagogical system terrific writing and briefer coverage of key topics It is in fact the same writing content as can be found in Exploring Psychology Fifth Edition just with a different organization
