COMMON ENTRANCE (CE) 13+ SUBJECT GUIDE FOR FAMILIES: ENGLISH

CE 13+ exams are taken by pupils as part of their entrance applications to select independent schools. In entry into Year 8, English is one of the compulsory core subjects assessed in CE 13+ exams, along with Maths and Science.

This guide provides an overview of the CE 13+ English exam structure, what knowledge and skills are assessed, and what your child can expect from each paper. It also contains tips and links to other exam papers to provide additional support and ideas to further assist in helping your child throughout their admissions journey. We're glad to help!

WHAT IS COMMON ENTRANCE (CE) 13+ ENGLISH?

The CE 13+ English exam is designed to test pupils' ability to:

- Read and understand a diverse passage independently, and answer questions that require a range of comprehension skills.
- Analyse texts, showing evidence of personal interpretation and understanding of an argument.
- Produce original written work in the form of their chosen piece in the form of an essay.

HOW IS THE EXAM STRUCTURED?

The CE 13+ English exam is divided into two papers: **Reading** and **Writing**. The reading paper can be taken at either **Thames Valley** or **Uxbridge**. The writing paper will contain a slightly more complex and practical task in comparison to the first paper. Your child's current school will usually make the decision after discussing with prospective schools which entrance exam they wish to take, and pupils take the same writing paper.

WHAT IS THE READING PAPER?

- **Reading Paper:** The reading paper will assess understanding of a piece of prose that pupils read from preparation. The paper is aimed to develop an understanding of writing style and structure, which can be assessed as part of the English 13+ exam. Pupils are assessed on the CE 13+ writing paper. This paper may be used for assessment of CE 13+ 13+ equivalent with other schools, or to support preparation for CE 13+.
- **Writing Paper:** The writing paper will also assess understanding of an argument, but this can be taken at either **Thames Valley** or **Uxbridge**, and will be assessed on the same structure. This is to encourage the study of a variety of texts in Years 7 and 8, and different approaches to the development of writing style.
