

# **Speech On Women's Day**

**The International Women's Day is celebrated every year globally on 8th of March. It sheds light on the great achievements of women in various fields. Empowering women is a great responsibility at present 21st century. It is necessary for gender equality and social dignity. Everyday is a women's day when she gets respect and value in all the aspects.**

**In the olden days, women were confined to the home and were not allowed to step out of the house for work. But today's society has seen a lot of changes. Today, women have started realizing their strengths. They are contributing to the success of their home and the entire society.**

**In this fast moving transforming world woman is no longer dependent. She is strong and self-confident. We should respect each of them, not because of gender, but because of their own identity. We must agree that both women and men contribute to the development of the home and community.**

**You can see, women reaching greater heights and even travelling to the space. They are entering into all fields and are making success everywhere they go.**

**We wish you all beautiful ladies in the world a very happy International Women's Day.**
