The Mark on the Wall and the title story In recent years Woolf's fiction feminism and high minded sensibilities have earned her an ever growing audience of readers This splendid collection offers those readers not only the inestimable pleasures of the stories themselves but an excellent entrance into the larger body of Woolf's work Includes a biography of the author

Monday Or Tuesday Virginia Woolf,1921 Whatever hour you woke there was a door shutting From room to room they went hand in hand lifting here opening there making sure a ghostly couple Here we left it she said And he added Oh but here too It's upstairs she murmured And in the garden he whispered Quietly they said or we shall wake them But it wasn't that you woke us Oh no They're looking for it they're drawing the curtain one might say and so read on a page or two Now they've found it one would be certain stopping the pencil on the margin And then tired of reading one might rise and see for oneself the house all empty the doors standing open only the wood pigeons bubbling with content and the hum of the threshing machine sounding from the farm What did I come in here for What did I want to find My hands were empty Perhaps it's upstairs then The apples were in the loft And so down again the garden still as ever only the book had slipped into the grass
