Carrie Diaries series **Evolution, Feminism, and Romantic Fiction** Ania Grant, 2025-08-14 Romantic fiction has long been dismissed as trivial and denounced for peddling supposedly oppressive patriarchal myths of heterosexual love and marriage Despite such criticism the popularity of romantic fiction has only increased in recent decades Drawing on research from the evolutionary sciences Ania Grant proposes that narrative patterns of romantic stories and their enduring appeal reflect the importance of love as a fundamental human drive She examines two of the most successful and critically scrutinized romantic narratives of the past 200 years Jane Austen's classic novel *Pride and Prejudice* and the hit television series *Sex and the City* and argues that such texts simulate the cognitive and emotional complexities of mate choice one of the most consequential decisions from both a biological and a cultural perspective Her biocultural analysis aligns the interpretation of romantic fiction with the feminist ideals of female autonomy and gender equality It also suggests that positive identification with romantic heroines gives audiences the hope and energy to pursue the transformation of gender relations in real life The book will be of interest to anyone who ever wondered why so many women and some men around the world are enthralled by romantic stories It will also appeal to anyone who has ever been inspired by romantic happy endings to strive for a world in which men and women love and cooperate with each other even if it seems like a utopian ideal while the war of the sexes rages on *Starting from Scratch* Sarah Ludwig, 2011-06-16 Create a successful vibrant and youth centered teen services program with this practical comprehensive guide even when resources are limited In order to develop a young adult department from the ground up librarians need to be informed about a myriad of interrelated tasks and responsibilities creating policies purchasing materials program scheduling outreach and budgeting Even for libraries that already have teen oriented materials within their facilities keeping them current and fresh is a challenge especially when budget or physical space is an issue *Starting from Scratch Building a Teen Library Program* is an instrumental resource for librarians who are either entering an established teen program with no previous experience or establishing a new teen program in a library It covers all steps in the process of becoming a successful teen librarian from getting the job and advocating for a teen department to adding qualified staff and ongoing professional development *Gossip Girl* Lori Bindig, 2014-11-12 *Gossip Girl A Critical Understanding* provides a critical analysis of The CW's hit teen television drama *Gossip Girl* Lori Bindig analyzes episodes as a set of media texts that blur the boundaries between hegemonic and counter hegemonic content Using political economy textual and audience analyses Bindig dissects how the show presents ideological content in regard to gender race class sexuality and consumerism ultimately unearthing potential ramifications of *Gossip Girl* and other popular media texts In addition Bindig examines the expansive fan community and its engagement with the show through online forums and YouTube *Gossip Girl A Critical Understanding* will appeal to scholars of media audience studies and popular culture *Chick Lit and Postfeminism* Stephanie Harzewski, 2011-02-09 Originally a euphemism for Princeton University's Female Literary Tradition course in the 1980s chick lit mutated from a movement in American women's avant

garde fiction in the 1990s to become by the turn of the century a humorous subset of women's literature journalism and advice manuals Stephanie Harzewski examines such best sellers as Bridget Jones's Diary The Devil Wears Prada and Sex and the City as urban appropriations of and departures from the narrative traditions of the novel of manners the popular romance and the bildungsroman Further Harzewski uses chick lit as a lens through which to view gender relations in U S and British society in the 1990s Chick Lit and Postfeminism is the first sustained historicization of this major pop cultural phenomenon and Harzewski successfully demonstrates how chick lit and the critical study of it yield social observations on upheavals in Anglo American marriage and education patterns heterosexual rituals feminism and postmodern values *Sex and the City* Candace Bushnell, 2008 Bushnell's beat is that demi monde of nightclubs bars restaurants and parties where the rich come into contact with the infamous the famous with the wannabes and the publicity hungry with the gossip peddlers EVENING STANDARD Wildly funny unexpectedly poignant wickedly observant SEX AND THE CITY blazes a glorious drunken cocktail trail through New York as Candace Bushnell columnist and social critic par excellence trips on her Manolo Blahnik kitten heels from the Baby Doll Lounge to the Bowery Bar An Armistead Maupin for the real world she has the gift of assembling a huge and irresistible cast of freaks and wonders while remaining faithful to her hard core of friends and fans those glamorous rebellious crazy single women too close to forty who are trying hard not to turn from the Audrey Hepburn of BREAKFAST AT TIFFANY'S into the Glen Close of FATAL ATTRACTION and are still looking for love **Sex and the City** Candace Bushnell, Sarah Jessica Parker, Kim Cattrall, Michael Patrick King, Darren Star, Kristin Davis, Cynthia Nixon, Home Box Office (Firm), 2001 Down the Road and Back Again Jill E. Anderson, Alissa Burger, 2025-05-30 This is the first book length study of The Golden Girls which ran for seven award winning seasons from 1985 to 1992 and produced two spin offs Through a cultural studies approach this collection examines a wide range of topics including race sexuality queerness memory familial mythmaking aging health and financial precarity Featuring contributions from an international team of scholars this book highlights the enduring relevance and cultural impact of the show even 30 years after its original airing Offering fresh insights into its cross generational and cross cultural appeal Down the Road and Back Again is intended for scholars of pop culture and fans of the show Talking Book Topics , 2012
