Recipes from Historic California Steve Bauer, Linda Bauer, 2008-10-03 Linda and Steve Bauer guide readers through a culinary journey across California detailing some of the most interesting histories and delicious recipes from California's landmark restaurants. Each of the restaurants visited reveals several signature dishes to be easily replicated at home.

California's cuisine comes alive as the Bauers discover the state's most historic restaurants. **Kentucky's Cookbook**

Heritage John van Willigen, 2014-09-12 Food is a significant part of our daily lives and can be one of the most telling records of a time and place. Our meals, from what we eat to how we prepare it to how we consume it, illuminate our culture and history. As a result, cookbooks present a unique opportunity to analyze changing foodways and can yield surprising discoveries about society's tastes and priorities. In *Kentucky's Cookbook Heritage*, John van Willigen explores the state's history through its changing food culture, beginning with Lettice Bryan's *The Kentucky Housewife*, originally published in 1839. Considered one of the earliest regional cookbooks, *The Kentucky Housewife* includes pre-Civil War recipes intended for use by a household staff instead of an individual cook, along with instructions for serving the family. Van Willigen also shares the story of the original Aunt Jemima, the advertising persona of Nancy Green, born in Montgomery County, Kentucky, who was one of many African American voices in Kentucky culinary history. *Kentucky's Cookbook Heritage* is a journey through the history of the commonwealth, showcasing the shifting priorities and innovations of the times. Analyzing the historical importance of a wide range of publications, from the nonprofit and charity cookbooks that flourished at the end of the twentieth century to the contemporary cookbook that emphasizes local ingredients, van Willigen provides a valuable perspective on the state's social history.

These have been selections of Book of the Month Club, the Better Homes and Gardens Book Club, and Family Bookshelf. The first book was featured on the back of Just Right cereal boxes. Reviews rave about the excellent, tasty recipes. "Everything we tried was terrific," Brunswick Maine Times Record.
