whiskey A new generation of urban bootleggers is distilling whiskey at home and cocktail enthusiasts have embraced the nuances of brown liquors The Kings County Distillery Guide to Urban Moonshining presents whiskey s history and culture from 1640 to today when the DIY trend and the classic cocktail craze have conspired to make it the next big thing For those thirsty for practical information this book provides a detailed easy to follow guide to safe home distilling complete with a list of supplies step by step instructions and helpful pictures anecdotes and tips The final section focuses on the contemporary whiskey scene featuring a list of microdistillers cocktail and food recipes from the country s hottest mixologists and chefs and an opinionated guide to building your own whiskey collection The moonshining world is notoriously full of orally perpetuated misinformation and the legitimate whiskey industry is full of marketing lies and half truths Spoelman and Haskell have thankfully defied those traditions and released an educational book of honesty and transparency **Serious Eats Popular Mechanics** ,1977 **Kentucky Moonshine** David W. Maurer,2021-10-12 When the first American tax on distilled spirits was established in 1791 violence broke out in Pennsylvania The resulting Whiskey Rebellion sent hundreds of families down the Ohio River by flatboat stills on board to settle anew in the fertile bottomlands of Kentucky Here they used cold limestone spring water to make bourbon and found that corn produced even better yields of whiskey than rye Thus the licit and illicit branches of the distilling industry grew up side by side in the state This is the story of the illicit side the moonshiners craft and craftsmanship as practiced in Kentucky A glossary of moonshiner jargon sheds light on such colorful terms as puker slop and weed monkey With a new foreword by author Wes Berry David M Maurer s classic history of this subject is tongue in cheek but nevertheless provides a realistic look at the Kentucky moonshiner and the moonshining industry *Moonshine Nation* Mark Spivak,2014-07-15 Moonshine is corn whiskey traditionally made in improvised stills throughout the Appalachian South While quality varied from one producer to another the whiskey had one thing in common It was illegal because the distiller refused to pay taxes to the US government Many moonshiners were descendants of Scots Irish immigrants who had fought in the original Whiskey Rebellion in the early 1790s They brought their knowledge of distilling with them to America along with a profound sense of independence and a refusal to submit to government authority Today many Southern states have relaxed their laws and now allow the legal production of moonshine provided that taxes are paid Yet many modern moonshiners retain deep links to their bootlegging heritage Moonshine Nation is the story of moonshine s history and origins alongside profiles of modern moonshiners and a collection of drink recipes from each How to Master Moonshine R. Marshall,2014-11-30 Have you wondered how to make your own alcohol Maybe you ve watched some YouTube videos and still had some questions Well How to Master Moonshine will answer all of those questions Author R W Marshall will walk you through how alcohol is made in plain English with step by step easy to understand instructions Everything is covered from a simple sugar wash to how to make moonshine Rum Whiskey Gin Vodka and other traditional spirits Throughout the book the author stresses safety and proper methods Much of the information on the Internet is questionable

and contributes to the myth that making your own alcohol is dangerous It s really very easy and safe and it s only dangerous if you do it wrong This book is a comprehensive guide from start to finish and explains what to do and what not to do at each step The author includes dozens of recipes including President George Washington s recipe for rye whisky Did you know that besides being president of the United States he was one of the most prominent liquor producers of his time Even if making alcohol is illegal where you live the bonus section includes dozens of recipes for how to replicate your favorite liquors and liqueurs which you can do legally using commercial grain alcohol or vodka You ll save a ton of money doing it yourself You could payback the cost of the book the first time you make your own spirits We know you ll love How to Master Moonshine
