Morgan Ensberg Scouting Report:

2005 Rotisserie Baseball Scouting Report: for 4x4 NL Only Leagues Henry Lee, 2005 What differentiates this new series of books from the books and magazines people have used in the past is that each of the six books focuses on a different league 5x5 mixed AL only NL only 4x4 mixed AL only and NL only The projections and dollar values for players can vary up to 50% from league to league Drafting with the help of a magazine not tailored to your league specifications is a recipe for disaster yet millions of people do so every year With your Rotisserie Baseball Scouting Report in hand you can rest assured that your projections are accurate Each book also has special Quick Lists designed to help you find what you need in the limited time you have between picks Players are ranked by actual scoring category points so you can compare players intelligently and quickly Categories like ERA WHIP and BA are weighted for IP and AB vitally important but often overlooked Also included is a unique quantitative analysis of the best prospects for 2005

How to Make Pro Baseball Scouts Notice You Al Goldis, John Wolff, 2009-01-01 Al Goldis has spent more than forty years as a major league scout having worked in the front offices of the Cincinnati Reds Baltimore Orioles Anaheim Angels Chicago White Sox Chicago Cubs and New York Mets In those forty years he has seen and signed some of the game's greatest talents As the Scouting Director of the Chicago White Sox in the late 1980s Goldis spearheaded the amateur drafts that brought future All Stars Frank Thomas Robin Ventura and Jack McDowell into the Sox organization After so many years scouting young players Goldis has a pretty good idea what to look for in a player beyond the commonly accepted standard of the five tools hitting for average hitting for power a strong throwing arm excellent defensive skills and speed on the basepaths And in *How to Make Pro Scouts Notice You* he and former pro ballplayer John Wolff have set out to create a blueprint for young ballplayers with big league aspirations to follow The purpose of the book is twofold one to give young ballplayers an inside look at what scouts are really looking for in their search for professional caliber ballplayers and two to help them market and sell themselves so that those scouts will know they exist and see them put their best skills on display *How to Make Pro Scouts Notice You* is written with the intent of helping young ballplayers keep their dreams of playing pro ball alive and flourishing
