Female Lisa Bevere,2024-08-20 The very idea of womanhood is being assailed on all fronts sexualized by our culture eliminated from language and silenced by the church For decades both sexes have been systematically undermined and stripped of their strength Male and female were originally created as a power union but that turned into a power struggle For years women listened to the lie that to be powerful they needed to act like men Now the tables have turned with men acting like women This attack is more than cultural it is spiritual Revelation 12 17 portrays a dragon enraged with women who has declared war on our children Our enemy terrified of what and whom we were made to reflect seeks to blur the lines distorting the very idea of what it means for women to bear God s divine image We were made for this fight It will require honest intimate conversations to emerge with God inspired answers equal to the challenges of our day Our marriages children churches communities and futures depend on it It s time to unite confident in our divine identity clear in our commission and courageous in our calling to confront the darkness with love and light It s time to fight for female *Girls with Swords* Lisa Bevere,2013-02-12 When women understand how God has empowered them they can wield the sword of feminine strength against any evil that threatens them and those they love What if you discovered you have been entrusted with an invisible invincible and incorruptible weapon Would you use it In a day of worldwide trafficking gendercide discrimination and other hostility against women Lisa Bevere points to a biblical foundation to present a model of feminine strength that will empower women to live confidently Drawing on the many references to swords throughout Scripture the author constructs a revealing and compelling female paradigm that will impact every area of a woman s self identity spiritual

awareness relationships and life vision and mission Long known for her passionate and articulate expression of biblical womanhood Bevere presents fresh imagery as enticing and strong as polished steel to prepare women boldly for the challenges they face in today's world It's not enough to just be wise and strong Now a woman must know how to wield her sword Creatively forging the imagery of swords the Word of God and the Cross Girls with Swords will teach you How to speak the language of heaven on earth What it means to intercede What it means to carry your cross What it means to be discerning How to disarm the enemy Why women are the enemy's target and why God needs them to be heroes It's time to take up your sword and be a hero *Nurture Workbook* Lisa Bevere, 2008-07-01 Without Rival Lisa Bevere, 2016-08-16
