Lire Cest Aussi Eacutecrire:

Lecture critique et communication en sciences de la santé Louis Rachid Salmi, 2021-03-02 Les difficultés rencontrées par tous les auteurs de textes scientifiques pour présenter de façon optimale leurs travaux ainsi que les rendre visibles font de la publication un véritable défi. Outil indispensable pour approfondir la lecture et la communication scientifique, cet ouvrage est à la fois une introduction à la lecture critique d'articles et un guide très pédagogique pour rédiger et comprendre les règles de publication scientifique de haut niveau ou pour préparer une communication orale ou affichée. Cette quatrième édition fait l'objet d'une révision complète. Actualisée et augmentée, elle intègre désormais de nombreux exemples pratiques des références bibliographiques pour aller plus loin, ainsi que des formulaires de lecture critique disponibles au téléchargement en ligne. En 104 fiches claires et concises, l'auteur Louis Rachid Salmi propose de guider les professionnels de la santé pour leur permettre de mieux lire, présenter, rédiger et publier une étude scientifique. Lire grâce à des éléments de lecture critique mis à jour pour tenir compte des dernières évolutions en la matière, permettant de choisir les sources fiables et de rationaliser ses lectures. Présenter en utilisant les bonnes approches pour mettre en valeur et rendre le plus explicite possible les résultats de son étude, que ce soit dans un article ou une communication orale ou affichée. Rédiger en s'appuyant sur un plan solide et efficace et en évitant de commettre les pièges de langage. Publier l'ouvrage, guide pas à pas, le spécialiste du choix de la revue au processus de soumission pour mettre toutes les chances de publication de son côté. Pour compléter sa démarche pédagogique, l'ouvrage est accompagné d'un poster synthétisant toutes les informations essentielles pour un véritable gain de temps de même qu'un cahier couleur pour vous guider jusqu'à dans les choix colorimétriques.
