

Abigail Adams' Letter To John Quincy Adams: Rhetorical Analysis

Abigail Adams was a woman that was very articulate and had a huge influence on people. She became influential through the letters that she wrote to her husband and son. She was smart enough not to mention her husband by name in the letters but "my friend". No one could say she was feeding him information since his name was not writing on the letter. Abigail Adams was so articulate and influential that her letters made into history, we can see them in the history books we read today. She was very vocal about problems surrounding slavery, female equality and even taxation. In Abigail Adams' letter to her son, John Quincy Adams, who would later become President of the United States, she is able to continuously encourage and ease his fears and uncertainties concerning the dangers he may face on his travel abroad to France with his father, a United States diplomat. She reassures and urges her son that this journey is one that he should take complete advantage of, as it is one that will benefit him greatly. In the aspect of expanding his mind with knowledge and wisdom when acting as a witness towards the challenges, he will face and have to learn from. By applying the use of allusion, imagery and appealing to her audience's emotions and logical appeal to the situation. Adams is able to effectively convey her persistence on the importance of experience to her son while he is on his travels by also maintaining a persistent and encouraging tone. Adams opens her letter with the acknowledgment that her son, John Quincy Adams, was hesitant towards making the far and important voyage with his father and brother due to the "enemies or the dangers of the sea" that he may encounter throughout the journey. She is quick to contradict the thought and reminds her son that he wouldn't have "readily submitted" to her advice to go if she didn't think he would be
