#### John Stossel Report On Swinger:

Special Edition Daniel Einstein, 1997 The second of two volumes which when taken together provide a comprehensive overview of network television news documentary news magazine and special news programming broadcast over ABC CBS Imposed Morality Dr Alena Rada, PhD,2021-06-01 The book Imposed and NBC from the 1950s through the 1980s Morality is written from a multidisciplinary perspective and in this sense is totally different from other books dealing with human sexuality and particularly homosexuality While other books usually present only one point of view such as medical psychiatric psychological social or legal this book present a total and multidisciplinary view It also includes a discussion of the present views of homosexuality both in the western countries as compared to some non western societies which do not seem to take the many important aspects of this practice recently discussed and evaluated by western scientists in consideration and continue to criminalize homosexuality leading to death sentences and executions of gay people or them being stoned publicly to death On Romantic Love Berit Brogaard, 2014-12-30 Romantic love presents some of life s most challenging questions Can we choose who to love Is romantic love rational Can we love more than one person at a time And can we make ourselves fall out of love Berit Brogaard here attempts to get to the bottom of love s many contradictions This short book informed by both historical and cutting edge philosophy psychology and neuroscience combines a new theory of romantic love with entertaining anecdotes from real life and accessible explanations of the neuroscience underlying our wildest passions Against the grain Brogaard argues that love is an emotion that it can be at turns both rational and irrational and that it can be manifested in degrees We can love one person more than another and we can love a person a little or a lot or not at all And love isn t even always something we consciously feel However love like other emotions both conscious and not is subject to rational control and falling in or out of it can be a deliberate choice This engaging and innovative look at a universal topic featuring original line drawings by illustrator Gareth Southwell illuminates the processes behind heartbreak obsession jealousy attachment and more The Motion Picture Guide Jay Robert Nash, Stanley Ralph Ross, 1987 Hollywood Reporter, 1963 Swingers' Lifestyle: The Questions You are Afraid to Ask Jackie Melfi, 2017-04-13 This O A is like nothing you have ever seen before A subject that is treated as taboo in public discourse is laid bare in Swinger's Lifestyle Everything you have heard and thought about swinging will be questioned as you read author Jackie Melfi s unapologetic and downright honest accounts of her swinging experiences in her reader responses Her sincerity is refreshing and her viewpoint is straight from the heart Melfi puts careful consideration into each reader question Her answers advice and responses provide her readers with new insights and her words emanate genuine warmth and concern which is undoubtedly why her readers trust her with their most intimate secrets passions and fears You will find yourself wanting to know more about the swinging lifestyle and about the author herself Even if you are not part of the swinging community you will find that Jackie's answers and commentary traverse all relationship models and at their core apply to any relationship

Give Me a Break John Stossel, 2005 Swinging with Safety Robert Adler, 2018-05-03 Swinging with Safety is a comprehensive guide to the history behavioral etiquette common stumbling blocks and lifestyle norms of the swinging subculture Written by the co founder of one of the most popular and far reaching lifestyle clubs in the United States Robert Adler records his observations and ruminations in this remarkable text Contrary to common belief and portrayals in the media swinging is not sexual anarchy and is in fact based upon respect personal boundaries and the rule of No Only when the word No is unquestionably respected can a person or couple feel comfortable saying Yes The author makes keen distinctions between the couple's sport of swinging and other common alternative lifestyles such as open relationships polyamory and threesomes This text covers not only the evolution of modern day swinging but also contains insights into the psychological reasons for swinging into the protective benefits it offers to committed couples and contains chapters going in depth into the issues of jealously morality fear and self esteem In the 1970s Robert and his wife Nancy began their exploration into non monogamous sexual sharing in a small community in Costa Rica Upon moving to Florida in 1981 and wanting to continue their explorations they found countless couples who were interested in partner sharing but who lived in a dearth of information of how to navigate it After making an offhanded joke one day that they really should teach a class in swinging Robert and Nancy held their first seminar And then another and another until it grew into a community composed entirely of committed couples looking to explore recreational sex Each and every one of the 200 active couples had completed the seminar and were held to a set standard of behavior including universal respect and the rule of No These behavioral standards worked and as the members moved away the standards spread to now form the basis of the American swingers subculture It was Adler who first realized that in order to be self sustaining swingers had to move to a more matriarchal mindset rather than the patriarchal wife swapping out of which the lifestyle evolved Unfortunately Robert Adler passed away in 1993 before completing his work To honor his memory his loving widow Nancy has compiled this book from his writings and presents it here now in hopes of guiding and educating new couples on the structure and cultural norms of this alternative lifestyle Whether you are a monogamous couple interested but unsure about swinging an experienced swinger looking for tips on throwing your first house party or an academic researcher interested in first hand accounts and insights into alternative forms of sexuality this book is the one for you **The Swinging Paradigm** Edward M. Fernandes, 2009 The present study explored the marital and sexual satisfaction of a sample of 1 376 men and women swingers via an on line survey Marital and sexual satisfaction scales were used to measure the levels of satisfaction of the sample in both variables Demographics characteristics of the sample attitudes towards swinging experiences and swinging sexual behaviors were also examined Data analysis revealed that both men and women in the sample scored at the high end of the marital and sexual satisfaction scales Further statistical procedures yielded minimal differences between the scores of men and women in those measures the swinging experience was measure by multiple choice questions Regarding swinging activities and experiences

men and women swingers reported being satisfied with their swinging activities Men were more likely than women to have suggested swinging to their partners the two major reasons given for engaging in swinging activities were sexual variety and fantasy fulfillment most of the participants reported participating in swinging activities four to five times a year and finding their swinging partners via the Internet the demographic data revealed that the individuals in the sample were mostly white aged between thirty and fifty years of age in their first marriage college educated from urban or suburban areas and with a mean income between forty and seventy five thousand dollars yearly Most of the men reported being heterosexual while a small number reported being bisexual over half of the women reported having a bisexual orientation and only a small number were heterosexual the limitations of the study were described and discussed and the following recommendations were suggested Further research is needed with the swinging population to determined the impact of swinging on the family unit engage in further research with couples to evaluate the responses of each individual and conduct a comprehensive longitudinal study to gather information on the long term effects of swinging on the marital relationship Swingers, 1996 Press kit includes 1 pamphlet and 7 photographs The Lifestyle Terry Gould, 2010-06-18 CAN OPEN EROTICISM between more than two consenting adults be considered natural sexual behaviour Is it possible to experience sex with other partners while happily ensconced in an emotionally monogamous marriage Didn t this type of sexual swinging disappear with the 1960s and 70s What are millions of middle class couples getting up to on the weekend These are the guestions that arose as award winning investigative journalist Terry Gould embarked upon a journey through a thriving subculture known as the lifestyle Ignored dismissed or denigrated by the mainstream media ordinary married couples in the lifestyle are now getting together to openly express their erotic fantasies Acting within strict rules of etiquette everyday people social workers physicians school teachers participate in everything from sexual costume parties to multipartner sex as a form of social recreation within marriage Is swinging merely an invention of sexually permissive modern times As Gould discovered the phenomenon has roots that go back thousands of years From prehistoric fertility rituals to Dionysian festivals from the nineteenth century Onieda commune to the twentieth century social mirror of films such as Bob Carol Ted Alice and The Ice Storm spouse sharing has always been a part of human sexual practice A deeper biological urge seems to motivate this pleasure seeking practice one that combines two paradoxical urges the drive to seek long term partners for raising offspring and the equally powerful drive for sexual and genetic variety Lifestyle couples have resolved these conflicting urges For the rest of us including our law enforcement agencies the lifestyle can appear pornographic when strobe lit by the camera's flash But examined in the cool light of the latest research on evolutionary and emotional roots of human sexuality the practices of lifestylers assume a profound meaning for all The Lifestyle gives us a controversial and unique understanding of what it means to be part of a fast growing subculture of consenting mainstream adults who are changing the rules of sexual behavior for pair bonded humans Then again perhaps they aren t changing anything at all Swingers Barry Calvert, 2002
